

AGENDA

HEARING EXAMINER

DATE: Thursday, March 19, 2020 **TIME:** 9:30 a.m.

LOCATION: Yakima City Hall Chambers

CASE: CUP2019-102_SEP2019-037 - Morrison-Hershfield

The applicants are proposing to construct a new 170' self-supporting telecommunications tower at an existing cell-tower compound. It will be an unmanned facility that would only have a single visit by the cell tech once a month, at most, for maintenance purposes. Two (2) equipment shelters are also proposed: a 12' x 22' (264 SF) shelter for lessee telecom equipment and a 10' x 12' (120 SF) shelter for T-Mobile telecom equipment. Once constructed, the existing 100' tower will be decommissioned and removed. Site access is proposed from a private road connecting to BIA Road 272 and Glade Road.
