19. PUBLIC HEARING

A. Public Hearing To Consider Adopting The Yakima County 2026-2031 Capital Improvement Program For Environmental Services.

Presenting: David Haws, Public Services Director

David began his presentation by providing an overview of the function and purpose of the CIP in relation to other existing master plans (e.g. Horizon 2040, etc.). He then discussed the types of projects included in the CIP, the inclusion criteria, the budget criteria, and the investment focus. Finally, David highlighted a few of the projects related to utilities, flood control, and solid waste, noting that a full list of projects can be found on the County website.

Public Comment: No Public Comment Received.

Commissioner Comment: Commissioner McKinney observed that this CIP highlights the immensity of the structures and services handled by Yakima County. She expressed her excitement over how these projects will benefit the community. Commissioner Linde noted that this department's work over the years has helped prevent the county's flood and drought problems from being more severe than they would have been otherwise.

Commissioner McKinney MOTION: To Move This Item to Resolution at a Future Agenda

Commissioner Linde SECOND

Motion Passes Unanimously.

B. Public Hearing To Consider A Facilities Capital Improvements Plan.

Presenting: Brian Carlson, Budget Director

Brian began his presentation by discussing how deferred maintenance diminishes asset life while reducing service provided, leading to generational deficit. He then provided an overview of the proposed six-year schedule of major maintenance, replacement, and improvement of all county vertical assets (buildings). He suggested that the CIP should be considered in conjunction with counterpart schedules and plans to provide a view to the County's overall capital maintenance/improvements picture. The goal is to provide clarity regarding costs and constraints and achieve long-game savings via movement back up the deferred maintenance curve.

Brian then shared a schedule of projects organized by facility, project type, and urgency. In terms of funding, he outlined existing funding in the 2026 budget, ongoing Real Estate Excise Tax (REET) funding, and other potential funding sources (REET2, a jail/juvenile sales tax, and House Bill 2015 sales tax). Finally, he presented staff's recommendation for facilities projects in 2026, including a generator, elevators, and a new security panel. Interim Facilities Director Blake Erickson added further detail on these projects.

Public Comment: County Treasurer Ilene Thomson cautioned the Board about REET funding and what has already been allocated toward debt payments – ongoing every year until 2030. Brian Carlson will follow up with treasurer and adjust the bottom-line number.

Commissioner Comment: Commissioner McKinney expressed concerns about moving forward on the generator and elevators due to funding. She noted emergency management grant funding that might become available for generators. In response to Commissioner Curtis' question, Brian explained that he didn't address major jail repair projects because there isn't adequate funding to cover them, and all other problems are symptomatic of that issue. Commissioner Curtis also asked Brian to look into whether the County's Communications Sales Tax needs to be listed on the CIP. The Board reached consensus to move forward on this CIP, with the caveat of addressing the questions about REET funding and the communications sales tax. They asked Brian to include revenue sources for each project on the CIP (e.g. 3/10ths funding for the security panel) and acknowledged that the CIP can also be amended in the future as needed.

Commissioner McKinney MOTION: To Move This Forward to Resolution at a Future Agenda

Commissioner Linde SECOND

Motion Passes Unanimously.

20. NEW BUSINESS

Commissioners McKinney and Linde wished everyone a Merry Christmas, reflecting on the hope we have because of the first Christmas.

The selected candidate has the required certifications to be offered the lower position. The Commissioners approved this request.

Review of Remote Work Policy: Judy explained that this is a new policy that has been reviewed by all departments including Corporate Counsel. This is a more basic Countywide policy, and each individual department can add greater depth if desired. The Board directed Judy to bring this policy forward to resolution at a future Agenda.

5. HUMAN SERVICES (20 Minutes)

Review Scoring of Applications for the 2025 Multi-Family Affordable Housing RFP and Make a Decision on Which Projects to Give Conditional Awards: Brian Hedengren explained the available funding types and amounts, the RFP project requirements, and the application criteria used for scoring. He then outlined both RFP applications for the Board: Catholic Charities: Sunnyside Housing Phase 1 and Trouves: St. Elizabeth Assisted Living Facility. The Board asked clarifying questions about each application and directed Brian to check with Human Services Director Esther Magasis and Human Services Data & Finance Manager Lance Larsen to see if an additional \$80,000 can be allocated from 1406 Funds. If this is possible, the Board would like to award both Trouves and Catholic Charities \$500,000 each via a future resolution, noting that each organization can also pursue additional outside funding. If the additional \$80,000 is not available, the Board will award \$460,000 each.

6. REPORT ON ALLOWABLE USES OF COUNTYWIDE INVESTMENT INTEREST (10 Minutes) - Brian Carlson

Brian Carlson shared the interest sweep report he received back from a third-party CPA contracted by the County. The roster of funds from which the BOCC could sweep interest earnings into the General Fund was actually slightly larger than what Brian originally proposed. He recommended going with the CPA's recommendation and stated that he would like to work with County Treasurer Ilene Thomson to present a final proposed roster to the Board with more specific details and calculations during next Monday's Work Session. The Board agreed to this course of action. In response to Commissioner Curtis' question, Brian confirmed he will also look further into Mental Health Sales Tax interest earnings.

1. CALL TO ORDER

Meeting Called to Order at 3:00 p.m.

PRESENT: Chair LaDon Linde, Commissioner Amanda McKinney, Commissioner Kyle Curtis, Legal Counsel Stefanie Weigand, Clerk of the Board Julie Lawrence, Deputy Clerk of the Board Erin Franklin, Public Services Director David Haws, Planning Official Thomas "Tommy" Carroll, Long Range Project Planner Keith Wolf, Bonnie Abercrombie (WSU Extension), Financial Services Director Brian Carlson, and guests.

2. PUBLIC COMMENT

No Public Comment Received.

3. DISCUSSION ON PENNY SHORTAGE ISSUE (15 Minutes) - Commissioner Linde

Following up on Resolution 11-2026 that was tabled from the January 6th Regular Agenda Meeting, David Haws explained that Solid Waste has the most cash transactions of all Yakima County departments. He met with County Treasurer Ilene Thomson and County Prosecutor Joe Brusic to discuss their concerns about rounding fees to the nearest \$0.05 and explore alternate solutions to the penny shortage. They intend to work on a Yakima County policy similar to what David proposed for Solid Waste and to the state's guidance, as this issue will begin to affect the rest of County departments. This process could take about a month to complete. Additional solutions include changing fees to avoid the need for pennies or using a tiered approach where fees are rounded to the nearest dollar for each tier. The latter option would eliminate the need for change altogether, which would free up additional staff time and effort. David plans to bring forward additional rate discussions to the Board over the next few months for further consideration. The Commissioners discussed the pros and cons of the various approaches David had listed, finally reaching consensus to reconsider Resolution 11-2026 at the January 13th Regular Agenda Meeting.

4. PUBLIC SERVICES (10 Minutes)

Climate Grant Authorization Letter: David Haws and Keith Wolf explained that part of their Growth Management Act (GMA) work involves climate work. This authorization letter would allow the Public Services Planning Division to apply for grant funding to help cover some of the costs of this work. They further explained that there are some aspects of climate work in which Yakima County is not required to participate. Tommy Carroll and Commissioner McKinney discussed how this protects Yakima County from even more restrictive regulations in the name of clean energy. Commissioner McKinney expressed concern that the Planning Division is already stretched thin and doesn't have time to complete any of the climate work, especially with it not being fully funded by the state. Tommy stated that staff could complete some of the work, such as updating key pieces of code, but other aspects (e.g. community engagement) would not be feasible with current staffing, budget, and time constraints. The funding would be helpful for the portions of climate work to be completed.

Commissioner Curtis MOTION: To Approve the Climate Grant Authorization Letter

Commissioner Linde SECOND

Motion Passes: 2 in Favor (Commissioner Curtis and Commissioner Linde); 1 Opposed (Commissioner McKinney).

Commissioner McKinney requested that it be noted in the letter that she voted in opposition.

5. LOST RECEIPT REIMBURSEMENT REQUEST FOR WSU EXTENSION (5 Minutes)

Bonnie Abercrombie explained how a receipt for sandbags for WSU Extension was misplaced. She does have a bank statement confirming the amount charged and the name of the purchaser.

Commissioner McKinney MOTION: To Approve This Lost Receipt Reimbursement Request

Commissioner Curtis SECOND

Motion Passes Unanimously.

Julie Lawrence, Stefanie Weigand, and the Commissioners then reviewed a discussion from last January about how the Board would like to handle lost receipt requests going forward. Stefanie confirmed that wages cannot be garnished from employees who have lost receipts, but the County could ask employees to voluntarily repay the amount. She spoke in favor of having employees attach bank statements to the reimbursement request forms to provide a better paper trail in the event of lost receipts, and the Commissioners concurred. The Commissioners also asked Julie to send them a copy of the current P-Card Policy to review and potentially update with a card suspension clause if an employee accumulates a certain amount of lost receipts.

6. AGENDA ITEM REVIEW (10 Minutes)

Julie Lawrence reviewed for the Board all Agenda items submitted for Tuesday's Regular Agenda Meeting.

The Commissioners had no changes for the January 13, 2026, Agenda.

7. COMMISSIONER UPDATES/ GENERAL DISCUSSION

The Commissioners briefly discussed positions on the Yakima County Homeless Coalition Executive Committee and the Yakima Regional Clean Air Agency.

8. NEW BUSINESS

Commissioner McKinney observed that today's Legislative Steering Committee has been riveting.

1. CALL TO ORDER

Meeting Called to Order at 9:00 a.m.

PRESENT: Chair LaDon Linde, Commissioner Amanda McKinney, Commissioner Kyle Curtis, Legal Counsel Dan Clark, Clerk of the Board Julie Lawrence, Deputy Clerk of the Board Erin Franklin, Human Resources Director Judy Kendall, Technology Services Director Dale Panattoni, Financial Services Director Brian Carlson, Andres Mantilla (Uncommon Bridges), Jacqueline Robinette (Uncommon Bridges), and guests.

2. PUBLIC COMMENT

No Public Comment Received.

3. EXECUTIVE SESSION (20 Minutes)

The Board met in executive session for 20 minutes from 9:01 a.m. to 9:21 a.m. to discuss ongoing litigation with legal counsel pursuant to RCW 42.30.110(i). Commissioner Linde returned at 9:21 a.m. to extend the session by an additional 10 minutes, to 9:31 a.m. The Board returned at 9:31 a.m. and no further action was taken.

4. HUMAN RESOURCES (15 Minutes)

Judy Kendall presented three action memos to the Board. The first was a request from the Prosecutor's Office, for out-of-class pay for an Office Coordinator (B23) fulfilling the duties of a Paralegal I (C41) from January 1, 2026, through April 30, 2026, due to two paralegal long-term absences. The Commissioners approved this request.

The second request was from Juvenile Court, for out-of-class pay for an Office Specialist I (B21) to fulfill the duties of a Manager I (C44) from February 16, 2026, through July 31, 2026, due to a long-term absence of the manager in charge of direct supervision of Juvenile Court clerks. There is no other manager currently available to step into the role, and the Office Specialist has sufficient previous managerial experience to perform the role. The Commissioners approved this request.

The final request was from Human Resources, to eliminate a Manager II (D64) position from the Workers Compensation Fund and establish a new Manager II (D64) position in the General Fund. This position has always been split between multiple funds managed by HR, but the majority of time for this position has now shifted to be from HR, rather than the Workers Compensation Fund. The Commissioners approved this request.

5. TECHNOLOGY SERVICES (10 Minutes)

Discussion on Making a Large Computer and Laptop Purchase: Dale Panattoni explained that Technology Services was notified by its computer supplier that due to a shortage in RAM, computer prices could increase by 10-30% this year. Although this increase has not yet taken effect, Dale suggested purchasing replacement computers earlier than usual to have on hand for life-cycling. Rather than purchasing new computers in four batches this year (once per quarter), he would make a larger purchase during this first quarter to ensure better

pricing. Brian Carlson gave his assent. The Commissioners agreed to this course of action and thanked Dale for monitoring the market on the County's behalf.

6. STRATEGIC PLAN KICKOFF (75 Minutes) - Uncommon Bridges

Andres Mantilla and Jacqueline Robinette introduced themselves, their team, and their company to the Commissioners. They outlined what strategic planning is and isn't, discussed why and when to create a strategic plan, and then broke down the components of a strategic plan. They explained their plan to help Yakima County develop its vision, mission, and values before developing strategic priorities with goals and objectives that can be implemented. Their aim is to focus on assessment through March, planning in April, and implementation in May and June. The Commissioners agreed that this would be beneficial in setting the Board up to begin looking at the 2027 budget around that time.

Assessment activities will likely include documents review, county tours, individual interviews, surveys, and focus groups. The Commissioners each suggested ideas of local groups to include in the process, beginning with County directors and elected officials and expanding outward. Jacqueline noted that her team will take a tiered approach to engagement to determine what gaps need to be filled in, rather than scheduling everything all at once. The Commissioners also offered to help collect this feedback and make introductions.

Andres asked the Commissioners three questions:

- 1) Ten years from now, what does the headline about Yakima County read?
- 2) What are the most significant challenges facing Yakima County?
- 3) What strategic questions need to be answered?

The Commissioners each spoke to a desire for Yakima County to be known for its responsiveness to the community's needs, effective management of resources, health, prosperity, efficiency, good stewardship, abundant water storage, low crime rate, and thriving agricultural industry. They noted a variety of challenges, such as a decaying jail; inflation; limited revenue; attorney shortages; a struggling agricultural sector; unfunded mandates; overregulation from the state; rampant drugs/addiction; lack of funding for community resources (e.g. public pools); lack of high-paying jobs to attract/retain people; loss of processing/manufacturing jobs; turnover/retirements at the County; and harmful state policies related to crime, housing, behavioral health, substance abuse, climate change, taxes, water, and immigration. The Commissioners proceed to identify several strategic questions that need to be answered: how to address the jail, how to address the state mandates regarding attorneys/caseloads, how to get departments on board with looking for financial efficiencies, what programs the community still needs/wants, how to promote economic development that benefits not only the community but also the County's tax rolls, whether to move toward regionalization of resources, whether to put together a revenue package to fund priorities, and how to achieve greater retention of jobs in and/or with Yakima County. Finally, the Commissioners addressed various opportunities to boost agriculture, tourism, and transportation in Yakima County.

Jacqueline explained that she and her team will begin organizing and summarizing all of the information discussed today. They will follow up in person in the next few weeks to conduct interviews and then reconvene formally with the Board to present their assessment. Commissioner Linde thanked Jacqueline and Andres for the good conversation and expressed his excitement to work more with them going forward.

7. YVCOG GENERAL MEMBERSHIP VOTING MEMBER AND ALTERNATE FORM (5 Minutes) - Commissioner Linde

The Commissioners agreed to have Commissioner Linde serve as the voting member and Commissioner Curtis serve as the alternate voting member for YVCOG General Membership.

8. COMMISSIONER UPDATES/ GENERAL DISCUSSION

The Commissioners gave updates on individual committee/board assignments for the week of January 5, 2026 – January 9, 2026.

Declaring Surplus for Auction and Disposal

Background Information:

The disposal of Assets by Yakima County finalizes the life cycle cost of an asset. Yakima County uses an on-line surplus method approved by Yakima County Board of County Commissioners as an avenue to liquidate these assets. R.C.W. 36.34.010 states that Yakima County has the authority to sell its property, providing it's in the best interest of the County.

Describe Fiscal Impact:

Equipment and Assets, deemed as surplus and auctioned - create a positive account balance to the department which owns the asset- thus reducing the life cycle cost of the asset.

Summary & Recommendation:

Vehicles and Equipment approved as surplus by resolution, will be auctioned through the ER&R Fund Manager.

Representing Telecommunicators

For CBA effective January 1, 2025, through December 31, 2026

Yakima County, hereinafter referred to as the Employer, and Yakima County Sheriff's Office Dispatcher's Guild, hereinafter referred to as the Guild, agree to adopt this Memorandum of Agreement (MOA) and agree that the provisions of this MOA will be included as part of the 2025-2026 Collective Bargaining Agreement (CBA).

This MOA memorializes the agreements between the Employer and the Guild regarding the issues described below, and the parties acknowledge that these issues have been agreed upon based on negotiated language in accordance with RCW 41.56.

The Employer and the Union agree that the provisions as set forth in this MOA supersede any conflicting provisions in the Collective Bargaining Agreement (CBA) covering the period of January 1, 2025, to December 31, 2026.

This agreement comes as a result of:

- I. An unintentional omission from the medical provision.

This language replaces the language in Article 22 – Medical Benefits in its entirety as listed below effective January 1, 2025, for the remaining term of the 2025-2026 CBA.

ARTICLE 22 - MEDICAL BENEFITS

- 22.1 Insurance for 2025 will be provided through Premier Blue Cross as set forth below:

- A. For employees who are enrolled in a High-Deductible Plan with employee only coverage, the Employer shall contribute the difference between the premium for the Employee Only Tier and the Employer maximum contribution to an HSA account for the employee.
 - B. For employees who are enrolled in any Plan other than a High-Deductible Plan with Employee Only coverage, the Employer shall contribute the difference between the premium for the Employee Only Tier and the Employer maximum contribution to an HRA VEBA account for the employee.
- 22.3 Said insurance shall be for employee and dependent medical, dental, vision, basic life insurance and basic long term disability.
- 22.4 The Employer shall determine which insurance programs and benefits may be continued or implemented from time to time. If there are changes in the insurance programs, the Employer will notify the Guild of said changes. Said notification shall not interfere or hinder the right of the Employer to change the benefit structure, benefit level, and/or premium level.
- 22.5 If the insurance company or companies providing the above-referenced benefits notifies the Employer of changes in the premium structure and/or benefit levels, then and in that event the Guild and employees shall comply with said changes if requested to do so by the Employer.
- 22.6 Any disputes, disagreements and/or claims regarding insurance coverage and/or policies between an employee and an insurance carrier and/or administrator are not grievable by the Guild and/or the employee.

7. **BILLING PROCEDURES AND PAYMENT**

COMMERCE will pay Contractor upon acceptance of deliverables or services provided and receipt of properly completed invoices, which shall be submitted to COMMERCE via the Contracts Management System (CMS).

If applicable, Contractor must also include attachments that describe and document, to COMMERCE's satisfaction, a detailed description of the work performed, progress of the project, and/or receipts or other proof of payment. Except for approved indirect costs, if any, or as otherwise authorized by COMMERCE in writing, a receipt must accompany every expense in the amount of \$50.00 or more to receive reimbursement. COMMERCE may request additional documentation at any time.

Any expense reimbursed under this Contract which is later determined to be unallowable must be repaid according to the terms COMMERCE provides.

Payment shall be considered timely if made by COMMERCE within thirty (30) calendar days after receipt of properly completed invoices. Payment shall be made electronically utilizing Contractor's Statewide Vendor (SWV) number.

Failure to pay Subgrantees/Subcontractors as agreed may result in suspension or termination of this Contract.

Invoices and End of Fiscal Year

Invoices are due on the 20th of the month following the provision of services.

Final invoices for a state fiscal year may be due sooner than the 20th and Commerce will provide notification of the end of fiscal year due date.

The Contractor must invoice for all expenses from the beginning of the Contract through June 30, regardless of the Contract start and end date.

Duplication of Billed Costs

The Contractor shall not bill COMMERCE for services performed under this Agreement, and COMMERCE shall not pay the Contractor, if the Contractor is entitled to payment or has been or will be paid by any other source, including grants, for that service.

To exceed this specified maximum rate, Contractors must submit to OCVA a detailed justification and have such justification approved by OCVA, prior to obligation or expenditure of such funds. Issuance of this Contract or approval of the budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, Contractors are required to maintain documentation to support all daily or hourly consultant rates.

Match

Contractor shall provide a non-federal match. The total match to be provided shall be at least the amount indicated in Attachment C – Budget. All funds designated as match are restricted to the same uses as STOP Formula Grant Program funds. Match funds may be expended in a greater proportion to Grant funds, however, all match funds must be expended prior to the close of this Grant. An expended amount of match funds provided must be identified on the invoice voucher form provided by COMMERCE.

Line-Item Adjustment

Transfer of funds between line item budget categories must be approved by the Office of Crime Victims Advocacy (OCVA) program staff. A cumulative amount of these transfers exceeding ten (10) percent of the total program budget shall be subject to justification and negotiation between the Contractor and OCVA, including approval from the Contractor's signature authority and the relevant OCVA Section Manager.

The Contractor, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38.

Among other things, 28 C.F.R. Part 38 states that a faith-based organization that participates in this program retains its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in federal law. Part 38 further states that an organization may not use direct federal financial assistance from the Department of Justice to support or engage in explicitly religious activities except when consistent with the Establishment Clause of the First Amendment and any other applicable requirements.

An organization receiving federal financial assistance also may not, in providing services funded by the Department of Justice, or in their outreach activities related to such services, discriminate against a program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that relate to engaging in or conducting explicitly religious activities.

14. COMPLIANCE WITH GENERAL APPROPRIATIONS-LAW RESTRICTIONS ON THE USE OF FEDERAL FUNDS FOR THIS FISCAL YEAR

The Contractor, and any subrecipient (subgrantee) at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Part 90.

16. COMPUTER NETWORK REQUIREMENT

Contractors may not use any award funds to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. Nothing in this requirement limits the use of funds necessary for any local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities or victim assistance-related activity.

17. CONFIDENTIALITY AND INFORMATION SHARING

The Contractor agrees to comply with the provisions of 34 U.S.C. 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. The Contractor also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. If COMMERCE determines, in its sole discretion, that the Contract funding is underutilized, COMMERCE, in its sole discretion, may unilaterally modify the Contract to reduce the balance of the Contract budget. Funds de-obligated by COMMERCE as a result of a budget reduction may be made available to other Contractors for the provision of eligible program activities.

20. COPYRIGHTED WORKS

Pursuant to 2 C.F.R. 200.315(b), the Contractor may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or

37. RESTRICTIONS AND CERTIFICATIONS REGARDING NON-DISCLOSURE AGREEMENTS AND RELATED MATTERS

No Contractor or subrecipient (subgrantee) under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in Page: 9 of 20 accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information),

Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

A. In accepting this award, the Contractor –

- i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
- ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

38. RESTRICTIONS ON "LOBBYING" AND POLICY DEVELOPMENT

In general, as a matter of federal law, federal funds may not be used by the Contractor, or any subrecipient (subgrantee) at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. 1913. The Contractor, or any subrecipient (subgrantee) may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program. Another federal law generally prohibits federal funds awarded by OVW from being used by the Contractor, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations. Should any question arise as to whether a particular use of federal funds by a Contractor (or subrecipient) would or might fall within the scope of these

prohibitions, the Contractor is to contact COMMERCE for guidance, and may not proceed without the express prior written approval of COMMERCE.

39. SERVICES TO LIMITED-ENGLISH-PROFICIENT (LEP) PERSONS

To ensure compliance with Title VI and the Safe Streets Act, Contractors are required to make reasonable steps to ensure that LEP persons have meaningful access to their programs. Meaningful access may entail providing language assistance services, including interpretation and translation services, where necessary. Recipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing their programs and budgets and in conducting their programs and activities. Reasonable costs associated with providing meaningful access for LEP individuals are considered allowable program costs. 6. COPYRIGHT

Unless otherwise provided, all Materials produced under this Contract shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by COMMERCE. The Contractor warrants and represents that the Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to COMMERCE.

11. **RECAPTURE**

In the event that the Contractor fails to perform this Contract in accordance with state laws, federal laws, and/or the provisions of this Contract, COMMERCE reserves the right to recapture funds in an amount to compensate COMMERCE for the noncompliance in addition to any other remedies available at law or in equity.

Repayment by the Contractor of funds under this recapture provision shall occur within the time period specified by COMMERCE. In the alternative, COMMERCE may recapture such funds from payments due under this Contract.

12. **RECORDS MAINTENANCE**

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, COMMERCE may suspend or terminate the Contract under the "Termination for Convenience" clause, without the ten (10) calendar day notice requirement. In lieu of termination, the Contract may be amended to reflect the new funding limitations and conditions.

14. **SEVERABILITY**

The provisions of this Contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Contract.

15. **SUBCONTRACTING/SUBGRANTING**

The Contractor may only subcontract work contemplated under this Contract if it obtains the prior written approval of COMMERCE.

If COMMERCE approves subcontracting/subgranting, the Contractor shall maintain written procedures related to subcontracting/subgranting, as well as copies of all subcontracts/subawards and records related to subcontracts/subawards. For cause, COMMERCE in writing may: (a) require the Contractor to amend its subcontracting/subgranting procedures as they relate to this Contract; (b) prohibit the Contractor from subcontracting/subgranting with a particular person or entity; or (c) require the Contractor to rescind or amend a subcontract/subaward.

The Contractor shall appropriately monitor the activities of the Subcontractor/Subgrantee to assure fiscal conditions of this Contract. In no event shall the existence of a subcontract/subaward operate to release or reduce the liability of the Contractor to COMMERCE for any breach in the performance of the Contractor's duties.

Every subcontract/subaward shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor/Subgrantee's performance of the subcontract/subaward.

16. **SURVIVAL**

The terms, conditions, and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive.

17. **TERMINATION FOR CAUSE**

In the event COMMERCE determines the Contractor has failed to comply with the conditions of this Contract in a timely manner, COMMERCE has the right to suspend or terminate this Contract. Before suspending or terminating the contract, COMMERCE shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the Contract may be terminated or suspended.

In the event of termination or suspension, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

COMMERCE reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by COMMERCE to terminate the Contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this Contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

18. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Contract, COMMERCE may, by ten (10) business days' written notice, beginning on the second day after the mailing, terminate this Contract, in whole or in part. If this Contract is so terminated, COMMERCE shall be liable only for payment required under the terms of this Contract for services rendered or goods delivered prior to the effective date of termination.

19. TERMINATION PROCEDURES

Upon termination of this Contract, COMMERCE, in addition to any other rights provided in this Contract, may require the Contractor to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Contractor and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Contract. COMMERCE may withhold from any amounts due the Contractor such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

After receipt of a notice of termination, and except as otherwise directed by the Authorized Representative, the Contractor shall:

- A. Stop work under the Contract on the date, and to the extent specified, in the notice;
- B. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the Contract that is not terminated;
- C. Assign to COMMERCE, in the manner, at the times, and to the extent directed by the Authorized Representative, all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case COMMERCE has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- D. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Authorized Representative to the extent the Authorized Representative may require, which approval or ratification shall be final for all the purposes of this clause;
- E. Transfer title to COMMERCE and deliver in the manner, at the times, and to the extent directed by the Authorized Representative any property which, if the Contract had been completed, would have been required to be furnished to COMMERCE;

- F. Complete performance of such part of the work as shall not have been terminated by the Authorized Representative; and
- G. Take such action as may be necessary, or as the Authorized Representative may direct, for the protection and preservation of the property related to this Contract, which is in the possession of the Contractor and in which COMMERCE has or may acquire an interest.

20. TREATMENT OF ASSETS

Title to all property furnished by COMMERCE shall remain in COMMERCE. Title to all property furnished by the Contractor, for the cost of which the Contractor is entitled to be reimbursed as a direct item of cost under this Contract, shall pass to and vest in COMMERCE upon delivery of such property by the Contractor. Title to other property, the cost of which is reimbursable to the Contractor under this Contract, shall pass to and vest in COMMERCE upon (i) issuance for use of such property in the performance of this Contract, or (ii) commencement of use of such property in the performance of this Contract, or (iii) reimbursement of the cost thereof by COMMERCE in whole or in part, whichever first occurs.

- A. Any property of COMMERCE furnished to the Contractor shall, unless otherwise provided herein or approved by COMMERCE, be used only for the performance of this Contract.
- B. The Contractor shall be responsible for any loss or damage to property of COMMERCE that results from the negligence of the Contractor or which results from the failure on the part of the Contractor to maintain and administer that property in accordance with sound management practices.
- C. If any COMMERCE property is lost, destroyed or damaged, the Contractor shall immediately notify COMMERCE and shall take all reasonable steps to protect the property from further damage.
- D. The Contractor shall surrender to COMMERCE all property of COMMERCE prior to settlement upon completion, termination or cancellation of this Contract.
- E. All reference to the Contractor under this clause shall also include Contractor's employees, agents or Subcontractors.

21. WAIVER
