## 5. AUDIENCE PARTICIPATION- No Guest or Press Present

## 6. BUDGET REPORT: Sue Remer (Please See Attachment A)

<b>MOTION:</b> Gail Weaver, BOH Chair motion to approve the (A) preliminary financial report for the month of September 2016 (B) preliminary financial report for the month of October 2016	<b>FIRST:</b> Mike Leita <b>SECOND:</b> Rand Elliott <input checked="" type="checkbox"/> <i>Approved</i> <input type="checkbox"/> <i>Declined</i> <input type="checkbox"/> <i>Amend</i>
---	---

- Mike Leita clarified that we are not a profit generating agency provide services. The BOH seeks tax dollars, put to highest and best use, and minimize accruals. It is important to define excess revenues, windfalls vs. unforeseen revenue surplus or expenditures or “under” expenditures.

## 7. BOARD BUSINESS: Andre Fresco, YHD Executive Director, Gail Weaver, and board members honored Commissioner Kevin Bouchey, for 8 years of dedication and service to the Yakima Heath District Board of Health with a plaque and expressed gratitude. Mr. Bouchey served as a Legislative Steering Committee board member for WSAC and was noted as dually valuable in the type of county support and representation he provided over the years.

<b>MOTION: Resolution 2016- 08 Foundation Public Health Services (FPHS)</b> requesting additional funding dedicated to building, monitoring and coordinating core public health services,	<b>FIRST:</b> Maureen Adkison <b>SECOND:</b> Jesse Farias <input checked="" type="checkbox"/> <i>Approved</i> <input type="checkbox"/> <i>Declined</i> <input checked="" type="checkbox"/> <i>Amend- redact “whereas” statement beginning with Yakima County</i>
---	--

Update on the way to bring new initiatives to the Board through memorandum. Andre Fresco, Executive Director stated the importance of informing and involving the board on initiatives that align with the BOH mission. A key way this will be done is to present informative memorandums upon which YHD Board of Health members may read and comment on upcoming initiatives.

## MEMORANDUM: Naloxone Initiative at Needle Exchange (implementation & goals)

- We seek to provide rapid education and support to current needle exchange program for training and distribution of product, under Dr. Spitters' oversight
- Mitigate overdose challenges effecting high risk populations
- See reduction in deaths due to overdose
- Get naloxone in hands of family, by building partnerships
- Expand on partnership with the University of Washington (UW) who has extensive capacity to keep track of data in compliance with anonymous transfer
- Increased available doses from 200 to 400; **Cost** \$30/dose, \$60/kit, paid by UW
- Increase understanding of our county specific high risk population's use of heroin, meth which positions us to be part of larger initiatives. And spearhead ways to mitigate drug use in our communities

[Gail Weaver opened floor for Dr. Spitters to comment]

## 8. HEALTH OFFICER REPORT: Dr. Chris Spitters

- Communicable disease division has updated records directed toward healthcare providers testing pregnant women exposed to Zika, which is transmitted sexually. Interested in provider alerts for Zika, and polio syndrome
- Dr. Spitters explained HIV pre-exposure prophylaxes, where primary care providers put patients on two to three drugs, which decrease risk of catching HIV by 75% per year,

Mumps: Auburn, King County, detected cases a few weeks ago, encouraging people to get testing done; some have had vaccination of mumps and still been diagnosed. Common in college campuses, high schools. Symptoms include fever body aches, swollen salivary glands, sterility, encephalitis, hearing loss, developmental delay,

Heroin drug addictions, some jurisdictions would like to make overdoses a notifiable condition, more than reflected on death certificate, which would lead to a case report follow-up, working with survivor to get drug treatment, and naloxone. State will pilot, west side counties. We are not participating, but Dr. Spitters would like to observe trial and implement best practices if they are implemented State-wide.

## 9. CHIEF OPERATING OFFICER: Ryan Ibach,

- attended Fire Arms Tragedy Prevention Network, where attendees discussed, fire arm deaths due to suicide, homicide, and accidental deaths. Yakima County suicide rates are 2 times as high due to fire arms.
- YHD is in the process of onboarding a new Senior Accountant: Chase Porter will be trained by Sue Remer. YHD is advertising for the Director of Disease Control and Director of Health Partnerships positions. Sandy Helton is retiring so YHD is also advertising for that payroll position. There will be more new staff at next month's meeting.

## 10. ENVIRONMENTAL HEALTH: Dave Cole

- With the arrival of winter, EH anticipates a slowdown in the land development programs, and related applications for permits. Typically winter time is when majority of septic failures occur. Revenue is not always collected from septic failure work. With lessened work load in land development, there is a special focus in the food program to get caught up in food inspections. Website resources are being reviewed and improved
- Four new EH staff have been hired since August 2016. The focus will be to ensure that they become competent in agency policies, procedures, and pertinent regulations
- Accela, Integrated Permit Management System IPMS, go live date is getting pushed back

## 11. COMMUNITY HEALTH: Ryan Ibach

- In the syringe exchange program, we are averaging approximately 92 clients per week and distributing approximately 6500 needles per week

# YAKIMA HEALTH DISTRICT

Keeping Yakima Communities Informed and Safe

- December 1, 2016 was World Aids Day and YHD staff tested several people for HIV and Syphilis
- Staff educated high school students in Wapato about HIV and Syphilis and provided test kits for all students 14 and older
- 8 Zika cases in Yakima County. YHD is receiving 1-2 Zika test results each day due to large number of people returning from travel. May be additional Zika funding from DOH
- We are in influenza season
- Providence's mobile mammogram was in Yakima and Sunnyside and tested 22 women for breast cancer

## 12. OTHER BUSINESS:

Gail Weaver and BOH members thanked Commissioner Kevin Bouchey for being active and supportive over the years.

**Being no further business to come before the board, Gail asked for a motion to adjourn the meeting at 10:49 a.m.**

Susan Remer Budget Report  
Attachment A

**SEPTEMBER** year to date \$470, 221. At 75% of the budget our revenue was a little over 75%, our expenses were only 67%. Saving on expenses, our revenue is up by the 37k. Expenses are down 436k, which accounts for the net income.

**BY DEPARTMENT**

**Line 1610** Asset replacement that looks like income there because it is getting allocated for public health funding will move by the end of year.

**Line 1720 HR** We will move Public Health funding to cover and compensate for the deficit of HR

**Line 2990 Medicaid Administrative Match** through September, we recovered 2015 allocation. When we get to next month it will be reflected. Project that Dulce has been working on

**Line 3320 STD**, up due to allocation of Public Health Funding which we can move around to cover any other area that is a little bit over.

**DOE well drilling** is down slightly, but expecting 2nd quarter revenue to come in and cover part of that approximately in the amount of \$5600.

**OCTOBER** we see bigger changes,

**Net income** of 563k,

**Revenues** are up by 102k,

**Expenditures** down by 164k which account for the difference

**Line 2990 Medicaid Administrative Match** 103k net income

By end of October we have booked the first and second quarter for 2016 plus some amendments Dulce completed. What is not yet reflected, is the 87k coming in for a reconciliation that Dulce completed. Dulce will book the extra 87k in November as soon as the revisions are accepted. Line 2990 will be about 200k.

The project Dulce worked on was fruitful. YHD does not rely on the 200k because the last few years was put on hold due to concerns that center for Medicare and Medicaid had with the State of WA, now recouping money from quarters 2 years back. Unanticipated revenue source. Due to this, we will see an extra 87k next month. Most departments are up. Only a couple where down, DOE well drilling and Colon Screening. We have over half million profits this year..

**Cash flow** is strong still and at the end of October, we are at 352 days of cash due to **Temp investments** of **\$5,600,992.00** equal to 352 days of cash

**Ending cash** fund was \$8,400.
