

## LGR 15

Sealed Reports; Adult Criminal and Juvenile Offender Proceedings;  
Psychological, Chemical Dependency, and Mental Evaluations and Reports.

In all adult criminal and juvenile offender proceedings the Clerk of the Court shall seal and not permit examination of the following: medical evaluations, chemical dependency evaluations and reports, mental evaluations and reports containing medical history or medical background, and pre-sentence investigation/ disposition reports. Sealed reports may be opened by petitioning the Court with a motion and notice to involved parties in conformity with GR 15. The parties to the action or their attorneys may view sealed reports without a court order.
