Authorized to open - applicant provided 1 year to install a 3 compartment sink in the kitchen area. The applicant purchased an existing business - that had not been required to install a 3 compartment sink. This application was approved in less than 24 hours - due to misunderstanding of requirement to apply for a new license with plan review. The applicant had spent significant funds for a grand opening. There is no public health concern - applicant has a commercial dishwasher and safe ware washing procedures.	Paul M Garcia	Restaurant
