This facility is currently adding additional equipment and incorporating active managerial controls to ensure all previous violations have been corrected. Ownership of this facility is adjusting floor space to accommodate separate food facilities into deli, Mexican food and pizza/burger options to ensure no cross contamination. Yakima Health District is currently working with the owner to provide additional training and guidance to ensure processes are put into place to ensure safe food practices. All violations have been corrected - additional inspections will be scheduled in July with the owner to review new equipment installation and processes.	Paul M Garcia	Restaurant

15/20 - They are preparing sandwiches with egg, cheese and they are selling tamales and breakfast burritos purchased from Tacos El Rey II. This is beyond their permit. They do not have proper licensing to sell breakfast burritos, tamales and prepare breakfast sandwiches. A level 1 food service license is for espresso drinks. Please contact the Yakima Health District to find out what you can do become a licensed food service establishment for level 2 food service. You can no longer sell tamales, breakfast burritos and sandwiches until you have the proper licensing. No food preparation is available for dish washing. No metal stem thermometer was available. Need metal stem thermometer for taking temperatures of potentially hazardous food. In order to sell tamales and breakfast burritos. The vendor will need to be licensed as a wholesaler by Washington Dept. of Agriculture or USDA which ever applies. You are not allowed to prepare sandwiches until you are licensed as a level 2 food service establishment. Please contact the Yakima Health District.	John R Wilson	Espresso Stand
25/25 Observed foods on hot bar were past discard time. - When using time as a control to maintain potentially hazardous foods, food must be discarded after four hours. - Discard food.	Brandon J Comfort	Restaurant
