2020 Proposed Budget *(attachment provided to all Board of Health Members)*

Budget Adoption Timeline Review

The 2020 budget hearing will be advertised in the Yakima Herald Republic and on the Yakima Health District website. Paper copies are available to the public at the YHD front counter.

2020 Budget Hearing Reminder

The budget hearing will be held October 30, 2019, which will be opened to the public. Following the hearing, a decision by the BOH members to adopt the 2020 budget can be made.

2020 Proposed Budget Overview: Chase Porter

- Budgeted operating expenses is expected to be \$6.3M with an enhanced budget of \$500K. The total budgeted expenditure for 2020 is \$6.8M.
- Budgeted operating revenue is expected to be \$6.4M. Enhanced expenditures does not have corresponding revenue. The agency budgeted a loss of approximately \$395K.
- Office Technicians were moved under the supervision of the Senior Finance Manager.
- 31 FTE's are the same amount we had last year.
- The Administrative Manager was changed to the Administrative Assistant position.
- Dr. Chris Spitters was removed for contracted services, Dr. Teresa Everson will be our Health Officer moving forward.

Financial Variations

- The HIV program may no longer be available next year, as the Department of Health has not clarified what will happen with this program.
- In the Development Disability program, the group support employment is being replaced with technical assistance training, which is expected to be \$100K less.
- Personnel Training/HR Legal has a reduction in expenses mainly due to the Kresge grant. Kresge funds were received in the prior year.
- BCCHP has an increase due to the addition of the Wise Women Program.

7. **YHD SPOTLIGHT**- Tuberculosis (TB Control) - Presented by David Miller, Public Health Nurse. This presentation may be found on the Yakima Health District (YHD) Board of Health [webpage](#).

8. **FINANCIAL REPORT:** Chase Porter August 2019 (pages 7-13)

August 2019 Budget Summary

We had a gain in excess revenue of approximately \$50K for the month of August. Bringing our year-to-date excess revenue to \$336K.

August 2019 Revenue and Expenditures

- Annual budgeted revenues and expenditures are \$6.5M and \$6.6M, respectively.
- Year-to-date budgeted revenue and expenditures are \$4.3M and \$4.4M, respectively.
- Year-to-date actual revenue and expenditures are \$4.4M and \$4.0M, respectively.

Program Updates (pages 7-13)

Foundational Public Health Services has continued to accrue revenue. Both Federal and State revenue is higher than expected due to the BCCHP, Wise Woman Program, and Medicaid Admin billing, totaling \$149K in additional revenue.

The overage in Fees, Permits Licensing is mainly due to pool and food permits, totaling \$59K. Vital Records also has an increased in revenue of \$6K.

Developmental Disabilities Program continues to reflect a loss. The School Food program has a gain due to YHD conducting school kitchen inspections for the beginning of the school year. The gain is expected to dissipate before the end of the calendar year.

Repair and Maintenance has an overage due to the motor home refurbishment. The Tuberculosis Program has a loss due to an increase in number of patients being treated.

Staff Updates

We advertised the Community Health Specialist position and will be interviewing candidates this week. Shawn Magee was named the new Director of Environmental Health. His official first day as director begins October 15, 2019. There is an Environmental Health Specialist position that we will begin advertising for next week.

Air Quality

The Yakima Health District has partnered with the State Department of Health Emergency Preparedness Program to test indoor and outdoor air quality monitors. Nathan Johnson, Local Emergency Response Coordinator went to Harrison Middle School in Sunnyside to place these air monitors there. These air quality monitors can give us real time data and allow us to gather information and give recommendations about air quality monitoring to health officers across the State.

11. **DISEASE CONTROL:** Melissa Sixberry

Vaping

There are six confirmed cases in Washington State of patients with lung disease related to vaping. None of the cases are in Yakima, but the State is asking providers to report any cases that are linked to vaping. There has been no direct link to TCH or tobacco.

State Audit

The State Department of Health chose two health jurisdictions in the State, with Yakima being one of them, to ensure we are following with the standards of 340B. Not only did the audit go very well but the auditors were very impressed with David Miller's reporting in the WDRS.

Flu

Flu season surveillance has started with our local hospitals. Flu activity is currently low throughout the State.

12. **ENVIRONMENTAL HEALTH:** Ryan Ibach

YAKIMA HEALTH DISTRICT

Prevention Is Our Business

Central Washington State Fair Food Inspections

Environmental Health Specialist are currently conducting food inspections for over 70 food vendors at the Central Washington State Fair. The first round of inspections was completed, and the second round is starting today.

Groundwater Management Area

The Groundwater Management Area is now in the implementation stage where we can start implementing the recommendations to reduce the nitrate that is getting to the ground water. Yakima County, Yakima Health District, and the South Yakima Conservation District will be involved in the implementation stage, with the South Yakima Conservation District as the lead agency on the project.

Dioxin Level

Due to a private group taking samples of well water in the lower valley and finding dioxins in three of those wells, Shawn Magee and Ryan Ibach will be meeting with the Department of Ecology to conduct further testing and discuss how to move forward.

13. PUBLIC HEALTH PARTNERSHIPS: Lilian Bravo

Flu Season

The Yakima Health District is taking a community-based approach to promote flu vaccines. We were able to work with partners to provide flu immunizations at the Central Washington State Fair and will also be conducting school-based flu clinics over the season. Partners include Pacific Northwest University, Yakima Valley Interprofessional Collaborative, Washington State University School of Pharmacy, West Valley Middle School, Union Gap Elementary, Tieton Village Pharmacy and Swofford & Halma among others.

WE Organization and ESD105

We have partnered with the WE Organization and ESD105 to promote another grant opportunity of up to \$25K to be disbursed among all schools that apply. The goal of this program is to promote community-based health initiatives to be promoted by students for students. The deadline for the school applications is October 31, 2019.

14. **MOTION:** Gail Weaver entertained a motion to adjourn the meeting at 9:57 a.m.
