7. **FINANCIAL REPORT:** Chase Porter

September 2019 Budget Summary

We had a gain in excess revenue of approximately \$15K for the month of September. Bringing our year-to-date excess revenue to \$351K.

YAKIMA HEALTH DISTRICT

Prevention Is Our Business

September 2019 Revenue and Expenditures

- Annual budgeted revenues and expenditures are \$6.5M and \$6.6M, respectively.
- Year-to-date budgeted revenue and expenditures are \$5.4M and \$5.5M, respectively.
- Year-to-date actual revenue and expenditures are \$5.3M and \$4.8M, respectively.

Program Updates

The overage in expected Federal and State funds is mainly due to the Breast, Cervical, Colon, Health Program (BCCHP). The Health District received additional funding from Department of Health for the BCCHP program. There is a strong demand in the Yakima Valley for the services that this program provides.

Foundational Public Health Services revenue continues to accrue, which YHD plans on using the funds for the Tuberculosis, Vector program(s), partnerships, education and technology.

Monthly payroll expense was down compared to budget. The variance was mainly due to turnover. Enhanced program funds were used in the month of October. The organization used the funds to purchase additional user licenses for Accela, Environmental Health's permitting software. We also purchased a booth at the Washington State Fair to provide a space to give flu vaccinations.

8. MOTION: Gail Weaver entertained a motion to approve the financial report for the month of September 2019.	MOVE TO APPROVE: Renee Bouchey SECOND: Mike Leita <input checked="" type="checkbox"/> <i>Approved</i> <input type="checkbox"/> <i>Declined</i> <input type="checkbox"/> <i>Amend</i>

9. **YHD SPOTLIGHT-** Breast, Cervical, and Colon Health Program – by Lilian Bravo, Director of Public Health Partnerships.

10. **CHIEF OPERATING OFFICER:** Ryan Ibach

Staff Updates

We advertised the Environmental Health Specialist position and interviewed several candidates. There will be a decision made on who may get the position in the next few days.

Performance Evaluation (PE) for Andre Fresco

During the December Board of Health meeting, there will be an executive session where Andre

YAKIMA HEALTH DISTRICT

Prevention Is Our Business

Fresco's performance evaluation will be done. Ryan Ibach will send an email to the Board of Health with the 2019 Achievements, 2020 Goals, and a questionnaire.

Citizen Representative Opening

There is an opening for the Citizen Representative position for the Board of Health due to the departure of Renee Bouchey. The process involves advertising the open position for 30 days, interviews by the interview committee, and a recommendation, from the committee, to the Board.

11. DISEASE CONTROL: Melissa Sixberry

Flu

There are low numbers of influenza activity reported in Yakima County, as well as Washington State. There have been no deaths reported this year. The common strain is A, which is common this time of year. Yakima Health District will continue to monitor the flu activity.

Vaping

There are 1,600 cases out of 49 states reported involving patients experiencing lung injury related to vaping products. It has not been determined if the cause is tobacco or THC related. There are 34 deaths related to vaping, and additional deaths under investigation. Governor Inslee placed an executive order banning flavored vaping products to facilities selling vape products. Although lung injury due to vaping is not considered a notifiable condition in Washington State, there is a nationwide ask of providers to notify their local health jurisdictions with cases that may be related to vaping.

Hepatitis A

Two acute Hepatitis A cases have been identified in Yakima County. Genotyping is currently being tested for at the State lab to identify if the cases may be related to the outbreak in King County or Spokane. These two cases are related to the transient/drug user population. Both cases are currently being monitored. Hepatitis A vaccines will be available at the Needle Exchange Program, to reach this population in our county. A provider advisory to our local emergency departments at the hospitals have been sent to please notify the Yakima Health District if a case may be suspected.

Needle Exchange

The Yakima Herald wrote a story on the Needle Exchange Program detailing the Yakima Health District's goal of having this program to decrease the rates of HIV and Hepatitis C, less risk to first responders/police officers with potential needle sticks, and overall increased health to the public. The article seemed to be well received by the community.

12. ENVIRONMENTAL HEALTH: Shawn Magee

YAKIMA HEALTH DISTRICT

Prevention Is Our Business

Dioxin Level Testing

Shawn Magee and Ryan Ibach are partnering with the Department of Ecology to conduct further testing of several wells in the lower valley. This is in response to three wells being tested by an independent group and found to have dioxin levels. Testing will begin in November and will be tested again in April 2020.

Accela Update

Electronic inspection checklists and reports are in the testing phase in Accela, which is the program the Yakima Health District and Yakima County use for permits and inspections. The goal is to allow environmental health specialists to be able to complete inspection forms electronically to increase efficiency during the inspections and with data entry of inspection results. This is working with a FDA grant awarded to our food program in 2018.

YMCA Rotary Water Park

Two of the Environmental Health Specialists from the Yakima Health District will be assisting the State Department of Health in the pre-operational inspection to ensure that the water parks safety measures are in place before the grand opening.

13. PUBLIC HEALTH PARTNERSHIPS: Lilian Bravo

Flu Clinics

The Yakima Health District has assisted in two flu clinics at local schools, where over 170 vaccines were administered to the public. There are about six more upcoming flu clinic that the YHD staff will be participating in. These events allowed us to work with multiple partners through the Child Vaccine Program.

Take Back Day

Back in March, the Yakima Health District purchased a Take Back box for the Central Washington Family Medicine, to advocate to the public that there is a safe place they can dispose old medications. Since then, they have reportedly disposed over 370 lbs. of medication in that one site alone.

WE Day

The WE Day applications have been submitted and reviewed. The intent of this small grant process is to help students come up with projects that can help their community. Some applications that have been submitted are to help the homeless student population

14. **MOTION:** Gail Weaver adjourned the meeting at 9:38a.m.

MOVE TO APPROVE: Renee Bouchey
SECOND: Mike Leita
