Community-Based Testing Sites Will Open Late Tomorrow Due to Snow Showers

YAKIMA, WA- Due to anticipated snow showers, the community-based testing sites at the Yakima State Fair Park and Sunnyside Community Center will open at 11:00am tomorrow, January 27th. Both sites are expected to resume normal hours on Thursday, January 28th.

Individuals who have pre-scheduled appointments for tomorrow morning will be contacted by staff from the sites to get rescheduled. At this time, both sites are expected to remain open until 3:00pm tomorrow.

For additional updates on the community-based testing sites and information on other testing locations, community members are encouraged to visit the [Yakima Health District's COVID-19 Testing Site](#) webpage.
