A person may not file as a write-in candidate if:

- they were either a regular or write-in candidate for the same office in the preceding primary;
- they already filed as a write-in candidate for that primary or election;
- they already appear on the ballot as a candidate for another office, unless the other office is precinct committee officer; or
- the office is for precinct committee officer.

Votes cast for write-in candidates: Votes cast for properly filed write-in candidates need only specify the name of the candidate in the appropriate location on the ballot. Variation of the name is permitted if voter intent can be determined.

Write-in candidates are not included in the voter guide unless they qualify to have their name printed on the General Election ballot.

Vacancy in Office and Void in Candidacy

Vacancies

A vacancy occurs when a current office holder resigns, dies or is disqualified mid-term. This creates an unexpired term.

If a vacancy is effective before May 17 in an office that was not scheduled to be on the ballot that year, filings are accepted during the regular filing period. RCW 29A.24.171

If the filing officer is not notified of a vacancy that was effective before candidate filing week, managing the vacancy depends on *when* the filing officer is notified. WAC 434-215-005.

If the filing officer is notified *before* the close of business on Tuesday of filing week, the vacancy opens immediately. If the filing officer is notified *after* Tuesday of filing week, filings are accepted during the special 3-day filing period.

If a vacancy is effective May 17 or later in an office that was not scheduled to appear on the ballot that year, the jurisdiction fills the vacancy by appointment and the election of the successor occurs at the next general election that the office is allowed by law to have an election.

Voids in Candidacy

A void in candidacy occurs when: •no one files for a position; •all candidates who filed have withdrawn; or •all candidates who filed have been disqualified or have died. RCW 29A.24.141

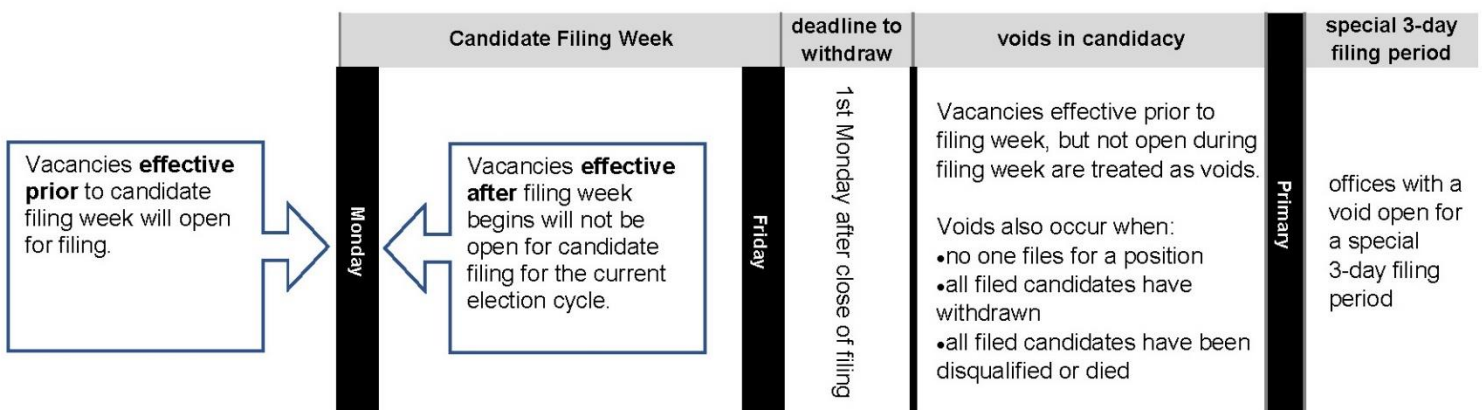

There is no void in candidacy if there is at least one candidate.

Special Filing Period

Candidate filing during a special filing period is conducted in the same manner and with the same filing officer as the regular filing period.

A special 3-day filing period is held if a void in candidacy occurs before August 2. The filing date is set by the filing officer and candidates appear on the General Election ballot only. RCW 29A.24.181

There is no withdrawal period for declarations submitted during a special filing period. RCW 29A.24.131

Lapsed elections, short terms

Lapsed election: If there are no candidates for a position after the regular and special filing periods, the election for that position is lapsed and it does not appear on the ballot. The incumbent continues to serve in the position unless he/she resigns or until a successor is elected at the next election when the same types of positions are on the ballot. RCW 29A.24.201

Short term: A “short term” begins immediately after the general election is certified and ends with the start of the full term. It is applicable only when a position is held by an appointee filling a vacancy. A short term exists when a vacancy occurs after the last election at which the office could have been on the ballot for an unexpired term. Elections for the short term are always held in conjunction with elections for the full term. RCW 29A.04.169 There is never a short term associated with school directors. All school director regular terms begin as soon as the general election is certified.

Local Voters’ Guide

Yakima County posts an online Local Voters’ Guide for all elections (www.yakimacounty.us/vote) and a Local Voters’ Guide is also mailed to all Yakima County registered voters one week before ballots are mailed.

The State Voter’s Pamphlet is distributed by the Post Office to every postal customer in the county approximately 3 weeks prior to the General Election.

Rules for the local voters’ guide are provided to candidates during the filing period and are posted on the Yakima County Election Division website.

Rules and deadlines are specific to the office for which you are a candidate.

Primary

A primary is the process of reducing the number of candidates running for an office.

Candidate names appear on the ballot in an order determined by lot drawing. RCW 29A.36.131, WAC 434-230-045

All partisan offices participate in the Primary. The one exception to this rule is if: •the office is a partisan county office, •the election is filling an unexpired term, **and** •there is only one candidate after the deadline to withdraw. RCW 29A.52.112

County Commissioner: The names of candidates for County Commissioner appear **only** on the ballots within their commissioner district. RCW 36.32.040

For nonpartisan offices, there is only a Primary if three or more candidates file for the same position. Candidates are notified if there is not a Primary for their position. RCW 29A.52.220

Sunnyside City Council: Candidates for city council **district** positions appear only on ballots within the respective council district. RCW 35.18.020 2(b), 35A.12.180. At-Large council positions appear on all ballots within the City.

Port Districts: Port district commissioners are nominated by commissioner district in the Primary, and are elected district wide in the General Election. RCW 53.12.010

Park Districts: Regardless of the number of candidates, a Primary is not held for Park District Commissioners. All candidates appear on the General Election ballot and the person receiving the largest number of votes for each position is elected. RCW 36.69.090, RCW 29A.52.220(3)

Judicial offices: A primary is only held when three or more candidates file for a position.

General Election

All contests that did not appear on the Primary ballot will appear on the General Election ballot. Candidate names in those contests appear on the ballot in order determined by lot drawing. RCW 29A.36.131

The two candidates who received the highest number of votes cast in a primary race advance to the general election. The candidate who received the most votes will be listed first on the ballot and the candidate who received the next highest number of votes will be listed second. RCW 29A.36.170, WAC 434-230-045

Public Disclosure Reporting

In 1972, I-276 was adopted which gave the public the right to know the financial affairs of candidates and elected officials. The initiative also declared that the financing of election campaigns should be known and reported to the people.

For state, county, and local offices, specific questions regarding public disclosure reporting or contribution limits should be directed to PDC.

The Federal Election Commission has jurisdiction over Federal Offices. Contact www.fec.gov or 1-800-424-9530.

Beginning your campaign reporting

Some Public Disclosure forms must be filed within 2 weeks (14 days) of the beginning of your campaign. According to Public Disclosure law, a citizen becomes a candidate when they: raise or spend money for a campaign, reserve space or purchase advertising to promote their candidacy, authorize someone else to do any of these activities on their behalf, state publicly that he or she is seeking office, or file a Declaration of Candidacy, whichever comes first.

Required reports

Reporting requirements are based on the office, the size of the district as of the last general election, and campaign revenues.

County offices; District has over 5,000+ voters; Will receive \$5,000+ in contributions	F-1 & C-series
District has 2,000 – 4,999 voters; Will not exceed \$4,999 in contributions	F-1
District has less than 2,000 voters; Will not exceed \$4,999 in contributions	no reporting

If you have a current F-1 on file for the same office for which you are filing, you do not need to submit another report.

Electronic reporting

Candidates who expect to spend \$10,000 or more must file campaign finance reports electronically. RCW 42.17.3691 Visit www.pdc.wa.gov for instructions and information.

Where to file PDC reports

All PDC reports are filed with the Public Disclosure Commission in Olympia.

Ballots

Yakima County has conducted all elections by mail ballot since the 2005 General Election. Legislation in 2011 converted all of Washington State to vote by mail.

When are ballots available?

Ballots must be mailed to all eligible voters at least 18 days prior to any election. Ballots for military and overseas voters must be mailed at least 30 days before each special election and 45 days before each Primary or General election. RCW 29A.40.070

Replacement ballots. If a ballot is destroyed, spoiled, lost, or is not received by a voter, replacement ballots are available. Requests may be made online, in person, by phone, by email, or in writing by the voter, a family member, or a registered domestic partner. RCW 29A.40.070, WAC 434-250-080.

Ballot return options

By mail. No postage is required. To ensure an on-time postmark, mail must be deposited in a USPS mailbox prior to the last indicated collection time.

In person. A ballot deposit box is located inside the courthouse entrance prior to the security checkpoint and is open Monday-Friday, 8am-5pm. A second ballot deposit box is located in the Auditor's office Room 117 and is open Monday-Friday, 9am-4pm. On election day, these deposit boxes are open from 8am-8pm.

1. *Parker* - 360 Columbia Rd by the Fire Station
2. *Sunnyside* - the corner of 8th St and E Edison Ave by the Fire Station
3. *Toppenish* - 401 Fort Rd in the Yakama Nation Main Agency Offices parking lot, across from Legends Casino
4. *White Swan* - 240 Curtis St by the Fire Station

Community drop boxes. City and Town Halls throughout the county that do not have a 24/7 box have a drop box inside their building. The boxes are open during the regular business hours of the city leading up to election day and are open until 8pm election night.

e-ballots

An online ballot solution is available to military and overseas voters. This solution is also available for out of town or traveling voters and for last minute replacement ballots. Through a secure website, voters can access their specific ballot style by entering their name and date of birth. This online solution is *not* online voting.

The voted ballot and signed ballot declaration must be returned to the elections office by 8pm on election night.

State election law prohibits the return of voted ballots by electronic means for voters who are not in the military or are living overseas.

Deadline for returning voted ballots

If a ballot is returned by mail, it must be postmarked no later than the day of the election to be valid for counting. If the postmark is missing or illegible, the date on the ballot declaration to which the voter has attested determines the date mailed. RCW 29A.40.110

For military and overseas voters, the date of the signature is considered the date of mailing. RCW 29A.40.110(4)

Accessible Voting

An Accessible ballot marking device is available at the County Auditor's office for voters with language or physical disability needs.

The County Auditor's Office accessible device is available for use 18 days prior to an election from 9am to 4pm and on election day from 8am to 8pm.

Signature verification; unsigned ballots

Signature verification: RCW 29A.40.110(3), WAC 434-250-120 A ballot is only valid for counting if the ballot declaration is signed by the voter and compares with the signature in their registration file. Power of Attorney cannot be used to sign a ballot for someone else and it is against the law to forge a signature or cast another person's ballot. If a voter is not physically able to write their name, the voter must make a mark, witnessed by two other people. Designated Canvassing Board representatives are instructed in the signature verification process established by the Washington State Patrol prior to verifying any signatures.

Unsigned ballots: RCW 29A.60.165, WAC 434-261-050 If a voter doesn't sign the ballot declaration they are notified by mail and by phone. For the ballot to be counted, the voter must either: •appear in person at the County Auditor's Office and sign a ballot declaration; or •return a signed copy of the declaration that was provided to them. This declaration may be returned electronically. It must be received by the County Auditor no later than the day before certification of the election.

Mismatched signatures: If the signature on a ballot declaration does not compare to the signature in the voter's registration file, the voter is notified by mail and by phone. For the ballot to be counted, the voter must either: •appear in person at the County Auditor's Office; •or return a signed signature update/ballot declaration form that was provided to them. The signature on the update form must match the signature that was returned with the ballot for the ballot to be valid. Otherwise, the determination made by the County Canvassing Board will stand.

Ballot opening

RCW 29A.60.125, WAC 434-261-070

Election extra help staff open and inspect all voting response positions on every ballot to ensure it will be properly read by the vote tabulating system. Ballots that are physically damaged or contain marks considered unreadable or uncountable by the tabulation system are duplicated or referred to the County Canvassing Board. The voter's original ballot cannot not be altered.

Pursuant to *Bush v. Gore* (2000) and the Help America Vote Act (2002), the Washington Secretary of State's Office, in conjunction with County Auditors and County Canvassing Boards developed statewide standards for determining voter intent to ensure consistency across the state. These rules are codified in WAC 434-261-086

Canvassing Board

The County Canvassing Board is the official county election governing body. Members are the County Auditor, who is the chair, the County Prosecuting Attorney, and the Chair of the County Commissioners. The Board may adopt written rules that authorize and delegate the county elections staff to perform tasks assigned to them by law. They cannot; however, delegate the authority to reject ballots. RCW 29A.60.140, WAC 434-262-015

If a member of the canvassing board appears as a candidate on a ballot, they must designate a deputy to perform their duties whenever possible. RCW 29A.60.150

Public access

Anyone may observe all aspects of ballot processing. All observers must sign in and adhere to established guidelines.

Voter Registration Information

In compliance with the Help America Vote Act of 2002, a centralized statewide voter registration database was created.
