Incident:

Location:

Date:

Narrative:

Labor Day Weekend is fast approaching for those that want to go boating and camping in the hills here in the Yakima Area. I want to remind all boaters and campers that the Rimrock Lake area and Bumping Lake area is closed to all boaters and camping due to the Schneider Springs Fire per the order of the Forest Service.

We have also gotten reports from the forest service folks who are hard at work fighting this large forest fire, that individuals have been out on Rimrock Lake boating, which has caused a safety issue, as the planes scooping up water from Rimrock have not been able to do so with any boats on the lake.

Deputy Swallow
