# Frequently Asked Questions

## Q. Are there any changes in the Trust Medical Plan benefits in 2021?

A. It should be noted that the annual out-of-pocket maximums for 2021 as mandated by the Affordable Care Act, which includes in-network medical and prescription out-of-pocket expenses for copays, deductibles, and coinsurance are \$8,550 per person / \$17,100 per family. The Trust has elected to split this maximum between medical services and prescription drugs. As a result, the annual out-of-pocket maximum for in-network Medical services under the Plan will be \$5,000 per person / \$10,000 per family. The in-network Prescription Drug Copay out-of-pocket maximum will be \$3,550 per person / \$7,100 per family. Enclosed is an updated Summary of Benefits and Coverage for 2021 reflecting this change.

## Q. Where do I send my completed enrollment form?

A. If you enrolled online, then you are done. If you are unable to enroll online visit [wateamsters.com/annual-enrollment](http://wateamsters.com/annual-enrollment) or call Northwest Administrators at **(800) 458-3053** to obtain a paper Annual Enrollment form (a paper form is not included in this packet). *Mail your completed enrollment form by December 15, 2020 to:*

Important Questions	Answers	Why This Matters:
<p>What is the overall <a href="#">deductible</a>?</p>	<p><b>\$600</b> individual / <b>\$1,800</b> family. Goes to \$500 individual / \$1,500 family if you complete the Health Assessment, \$700 individual / \$2,100 family if you don't.</p>	<p>You must pay all the costs up to the <b>deductible</b> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <b>deductible</b> starts over (usually, but not always, January 1st). See the chart starting on page 3 for how much you pay for covered services after you meet the <b>deductible</b>.</p>
<p>Are there services covered before you meet your <a href="#">deductible</a>?</p>	<p>Yes. The deductible does not apply to in-network <a href="#">preventive care</a>, <a href="#">office visits</a>, <a href="#">prescription drugs</a>, <a href="#">obesity programs</a>.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits">www.healthcare.gov/coverage/preventive-care-benefits</a>.</p>
<p>Are there other <a href="#">deductibles</a> for specific services?</p>	<p>Yes. <b>\$75</b> for outpatient emergency room visits.</p>	<p>You must pay all of the costs for these services up to the specific <b>deductible</b> amount before this plan begins to pay for these services.</p>
<p>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</p>	<p><b>\$4,000</b> individual / <b>\$8,000</b> family shared in and out-of-network medical coinsurance limit. In addition, an ACA mandated limit for in-network prescription drugs of <b>\$3,550</b> individual / <b>\$7,100</b> family and in-network medical of <b>\$5,000</b> individual / <b>\$10,000</b> family.</p>	<p>The <b>out-of-pocket limit</b> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.</p>
<p>What is not included in the <a href="#">out-of-pocket limit</a>?</p>	<p>Not included in the medical <b>\$4,000</b> individual / <b>\$8,000</b> family coinsurance limit are premiums, deductibles, co-pays, non-covered charges and obesity care. Not included in the ACA mandated limit for in-network prescriptions and in-network medical are premiums, out-of-network and non-covered charges and obesity care.</p>	<p>Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.wateamsters.com">www.wateamsters.com</a> and select Premera BlueCard Network Directory or call <b>1-800-810-2583</b> for a list of participating providers. Be sure to reference the alpha prefix <b>TMP</b> . For prescription drugs see <a href="http://www.medimpact.com">www.medimpact.com</a> or call <b>1-800-788-2949</b> .	If you use an in-network doctor or other health care <b>provider</b> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <b>provider</b> for some services. Plans use the term in-network, <b>preferred</b> , or participating for <b>providers</b> in their <b>network</b> . See the chart starting on page 3 for how this plan pays different kinds of <b>providers</b> .
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No. You don't need a referral to see a specialist.	You can see the <b>specialist</b> you choose without permission from this plan.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
