Mr Carroll;

I am writing this email to add our names in support of the Naches UGA. I recently inherited the parcels 171403-34006 and 171403-34007. Currently these properties are included in City of Naches and receive Water and garbage from the city. The properties have a septic system and we are extremely interested in adding to the City of Naches Sewer, and the paving of Kel-Lowry Rd and other utilities. The properties have been in my family since 1965.

Again, we are in support of adding the Deiner properties to the City of Naches. We hope this support will assist in the approval of grants eligible for the growth of the city and expand their tax base, with all the proceeds that are included.

Sincerely,  
Susan (Lorri) Schneider
