### Summary

#### Reconciliation

##### Overall Ballot Reconciliation

|                     |        |
|---------------------|--------|
| Ballots Received    | 97,386 |
| Ballots Accepted    | 96,985 |
| Ballots Not Counted | 401    |
| Discrepancy         | 0      |

##### Voters credited to ballots counted

|                                                       |        |
|-------------------------------------------------------|--------|
| Credited voters in VoteWA                             | 96,986 |
| Credited envelopes without ballots                    | (2)    |
| Voters not credited in VoteWA (examples: FWAB or ACP) | 1      |
| Total valid ballots                                   | 96,985 |
| Discrepancy                                           | 0      |

#### Additional Information

##### Replacement Ballots

|           |       |
|-----------|-------|
| Requested | 4,653 |
| Issued    | 4,633 |
| Returned  | 3,293 |
| Counted   | 3,270 |
| Rejected  | 23    |

##### Return method

|                                                                     |        |
|---------------------------------------------------------------------|--------|
| Email                                                               | 290    |
| Fax                                                                 | 5      |
| Deposited at staffed, unstaffed deposit sites and voting<br>centers | 51,356 |
| Non-UOCAVA returned by Fax or Email                                 | 0      |

##### Generation method

|                                          |       |
|------------------------------------------|-------|
| VoteWA                                   | 2,545 |
| Other online programs                    | 0     |
| PDF originating from county              | 0     |
| Non-UOCAVA ballots issued electronically | 1,665 |

##### AVU

|                                                  |   |
|--------------------------------------------------|---|
| Estimated number of paper ballots printed by AVU | 0 |
