\*\* There were two empty envelopes that our bipartisan boards didn't return to us ... the voters were given credit with no ballot counted.

We counted one ballot more than shows returned in precinct 0182 - there was a group of 49 affidavit envelopes with 50 secrecy envelopes which indicates that two ballots may have been returned in one affidavit envelope - however there is no indication on the board logs that two ballots were returned in one envelope. We have verified that the voters whose affidavit envelopes were returned are credited.
