“Yakima County is Seeking Feedback from Residents About How the County Should Spend ARPA Funds”

YAKIMA, WA- The Board of Yakima County Commissioners would like to announce the launch of the American Rescue Plan Act (ARPA) Community Survey.

The American Rescue Plan Act was passed by the U.S. Congress in March 2021. It set aside funding for local and state governments to support public health, infrastructure measures, and to lessen the negative economic impacts of the COVID-19 pandemic. The survey will help the county to reflect the community’s priorities in its plan for investing the funds between these eligible uses.

The survey can be found on the Yakima County American Rescue Plan Act (ARPA) webpage, <https://www.yakimacounty.us/2668/American-Rescue-Plan-ARPA-Act> , by clicking the “ARPA Community Survey” link.
