BE IT HEREBY ORDAINED by the Board of Yakima County Commissioners:

Section 1. Reasons for Action.

The Town of Naches proposed Emergency Urban Growth Area Amendment (LRN2021-00001) was considered as allowed by RCW 36.70A.130(2)(b), YCC 16B.10, and Section II.E.1.a of the *Master Interlocal Agreement for Growth Management Act Implementation in Yakima County*.

A staff report for the Town of Naches emergency UGA amendment request was provided and presented to the Planning Commission that reviewed the proposal and held a public hearing. Following public testimony and deliberations, the Planning Commission presented their Findings and Recommendations to the Board of Yakima County Commissioners for consideration. The Board of Yakima County Commissioners then reviewed said amendment request, held a public hearing, took public testimony and decided to **deny** the proposed amendment.

Section 2. Findings.

- A. State Environmental Policy Act (SEPA). Yakima County adopted ***Horizon 2040*** on June 27, 2017, and adopted by reference ***Plan 2015***'s, Chapter III Environmental Analysis. ***Plan 2015*** was originally designed to integrate SEPA and GMA consistent with the provisions of WAC 197-11-210 through 197-11-235. The issuance of the October 22, 2021, *Final Notice of Determination of Non-Significance for the Town of Naches Urban Growth Area Amendment* (SEP2021-00010) provides the environmental evaluation and documentation required under SEPA for the emergency UGA amendment.
- B. Analysis of Cumulative Effects. The cumulative effects have been considered as part of the SEPA review process outlined in subsection A above.
- C. The Board of Yakima County Commissioners denies the Naches town-specific UGA map amendment (LRN2021-00010) in its entirety as proposed by the Town of Naches “Modified” Emergency UGA Amendment request submitted on February 21, 2023, which includes:
 - i. LRN2021-00001/SEP2021-00010: Town of Naches (see Exhibit 1) – Denial of three Diener properties located adjacent to the town limits of Naches and identified as Assessor Parcels: 171403-42004, 171403-42005, and 171403-42023, approximately 23.07 acres.
 - ii. The Board of Yakima County Commissioners accepts the Town of Naches – Capital Facilities Addendum letter that their proposed investments to expand their capital facilities are adequate to serve the UGA map amendment.
- D. The Yakima County Comprehensive Plan – ***Horizon 2040*** Future Land Use Map and the YCC Title 19 Official Zoning Map for the Town of Naches ***shall not be amended***.

BOARD OF YAKIMA COUNTY COMMISSIONERS

The invalidity of any clause, sentence, paragraph, subdivision, section, or portion of this ordinance, or the invalidity of the application thereof to any person or circumstance, shall not affect the validity of the remainder of the ordinance, or the validity of its application to any other persons or circumstances.

Section 4. Effective Date. Pursuant to the Growth Management Act (RCW 36.70A), Yakima County must publish a Notice of Adoption within 10 days after the Board's approval of this ordinance, thus starting the required 60-day appeal period. NOW, THEREFORE, the Yakima County Planning Commission hereby makes and enters the following:

I. REASONS FOR ACTION

1. The Town of Naches submitted two additional requests on June 2, 2022, and February 21, 2023, modifying the original UGA amendment proposal submitted on March 3, 2021, to Yakima County to reconsider additions to the Naches Urban Growth Area prior to the 5-year UGA review cycle.

12 5. Following public testimony and deliberations, the Planning Commission made
13 recommendations on the latest proposed amendment.

14

15

16 II. FINDINGS OF FACT

17

18 -1-

19 The Board, after considering Naches' original proposal, adopted Resolution 085-2021 on
20 March 30, 2021, finding that an emergency exists and directed the Planning Division to
21 initiate consideration of the Naches request (LRN2021-00001/SEP2021-00010) as soon as
22 possible in accordance with RCW 36.70A.130(2)(b).

23 -2-

24 Yakima County must periodically review and, if needed, revise its comprehensive plan
25 and development regulations to ensure that they comply with the GMA, as per the
26 schedule provided in RCW 36.70A.130. This review also requires Yakima County to
27 evaluate the County's fourteen designated UGAs by using the Washington State Office
28 of Financial Management's population forecasts, the County's 20-year population
29 allocations, and a detailed land capacity analysis process.

30 -3-

31 YCC 19.36.040 provides that amendments to the zoning map that are contingent upon
32 legislative approval of a comprehensive plan amendment shall be considered a major
33 rezone; and YCC 16B.10.090 requires that major rezones shall be reviewed against the
34 approval criteria as for plan amendments in Section 16B.10.095.

35 -4-

36 Yakima County staff prepared a SEPA Threshold Determination and issued a Final
37 Determination of Non-Significance (DNS) (SEP2021-00010) to include the parcels from
38 the original, "net zero swap," and "no swap" requests which analyzed the
39 environmental impacts of the proposed actions.

40 -5-

41 The Diener agriculture designated parcels did not meet the minimum requirements of
42 the **Horizon 2040** Agricultural Resource (AG) De-designation Analytical Process to be
43 de-designated from Agriculture.

-6-

2 Yakima County staff submitted a 60-Day Notice of Intent to Adopt Amendment to
3 Commerce on September 8, 2022, for the modified "net zero swap" proposed
4 amendment.

-7-

7 On September 14, 2022, the Yakima County Planning Commission held a Study Session
8 on the proposed modified changes to the Naches UGA boundary.

-8-

On October 3, 2022, Commerce submitted a comment letter stating that the "net zero swap" is in violation of the Growth Management Act.

-9-

14
15 On October 7, 2022, a Notice of Public Hearing was mailed to property owners within
16 300 feet of the proposed UGA amendment properties.

-10-

19 On October 19, 2022, the Planning Commission held a properly advertised public
20 hearing to accept oral and written comments on the proposed "net zero swap."

-11-

22 On October 19, 2022, planning staff submitted an official recommendation to the
23 Planning Commission reversing its recommendation from approve to deny based on
24 Commerce's comment letter.
25

-12-

27
28 On October 19, 2022, the applicant requested to the Planning Commission a
29 continuance of the hearing to provide time to address Commerce's comment letter
30 and RCW 36.70A.130(3)(c), and approved by a vote of 3 to 2.

-13-

32
33 On February 21, 2023, the Town of Naches submitted another modified proposal, the
34 "no swap" proposal, to only add Diener's three properties (Area 3 from the original
35 request).

-14-

38 On February 24, 2023, a Notice of Public Hearing was mailed to property owners within
39 300 feet of the proposed UGA amendment properties and parties of record.

-15-

41
42 On March 8, 2023, the Planning Commission held a properly advertised public hearing
43 to accept oral and written comments on the proposed "net zero swap."

-16-

46 During the March 8, 2023 hearing, planning staff made a verbal statement that they
47 would recommend to the Planning Commission approval on the latest Naches "no
48 swap" proposal, to only add Diener's properties, if the Planning Commission was willing
49 to consider it.

1

-17-

2 During the March 8, 2023 hearing, the Planning Commission voted 5 to 0 in favor of
3 dismissing the "net zero swap," which was on the table for their consideration, and with
4 another 5 to 0 vote voted in favor of forwarding the "no swap" proposal, to only add
5 Diener's properties, to the Board for their consideration.

6

7

-18-

8 Naches latest "no swap" request proposes that Yakima County add the following three
9 Diener properties to their UGA:

10 a. Parcel nos. 171403-42004, 171403-42005, and 171403-42023 for a total of 23.07
11 acres,
12 b. Change the comprehensive plan designations of parcel nos. 171403-42004,
13 171403-42005, and 171403-42023 from Agricultural Resource (AR) to Urban
14 Residential (UR), and
15 c. Rezone parcel nos. 171403-42004, 171403-42005, and 171403-42023 from
16 Agriculture (AG) to Single-Family Residential (R-1).

17

18

-19-

19 The hearing was closed on March 8, 2023, and the Planning Commission immediately
20 moved to deliberate and made the following recommendation on the latest proposed
21 amendment.

22

23

24

III. RECOMMENDATION

25

26 Therefore, the Planning Commission recommended to NOT APPROVE by a 3 to 2 vote to
27 add Diener's three properties to the town's UGA as identified in their latest request (as
28 shown in Exhibit 4). However, according to the Yakima County Planning Commission
29 **"Rules of Procedure,"** Section IX: Voting, 9.3, a majority vote (4 of 7) of the total Planning
30 Commission members must be obtained to make an official recommendation to the
31 Board. In the absence of obtaining this majority, the recommendation of the Planning
32 Commission to the Board for the "no swap" proposal is a NO RECOMMENDATION for or
33 against the proposal.
