This Resource Guide is compiled and maintained by the Yakima County Veterans Program: [www.yakimacounty.us/159/veterans-Program](http://www.yakimacounty.us/159/veterans-Program)

Telephone: 509-574-1528

We would like to dedicate this work to Andy Pease, former member of our Board who dedicated years to serving fellow Veterans here in Yakima. Andy always emphasized that there is an information deficient when it comes to Veterans knowing the many services they've earned and are available to them. It is our vision that all Veterans would have the services they deserve.

This guide is intended for use by the service providers listed herein to assist and guide Veterans to the resources and services that might be helpful. The Resource Guide is not a complete nor a comprehensive list of organizations, associations or individuals that provide services or assistance to Veterans.
