The following items were adopted upon approval of the consent agenda:

- August 30, 2023, Yakima Health District Board of Health Meeting minutes.
- Payment of accounts payable and payroll issued in August 2023 in the amount of \$964,664.67.

(Please note that approval of minutes also include the recording of the meetings)

6. YHD SPOTLIGHT: Lilian Bravo, Director of Public Health Partnerships, presented Overdose Prevention Updates, which highlighted the new initiatives and already established campaigns the Yakima Health District are supporting in combating the overdose crisis. Also included in this presentation is naloxone distribution, naloxone education and prevention to businesses and organizations, campaign communications, and the different ways Narcan is accessible to businesses and members of the public.

Discussion Included:

- *Several Board members requested for additional messaging to include not to use drugs at all and how deadly drug use can be, more messaging targeting youth, and communications notifying the public where Narcan is available.*

7. AGENCY UPDATES

Executive Director: Andre Fresco

The 2024 Proposed Budget will be presented in the financial report and shared with the Board. With the large investment from Foundational Public Health Services, the additional funding will allow for initiatives to take place that were once unfunded prior to the COVID-19 pandemic. The goal with the budget is to allow the Yakima Health District to be a catalyst in public health initiatives and to address issues that are unique to Yakima County like two landfill fires, PFAS water contamination, drug and overdose crisis, and to prevent deaths and save lives without financial barriers.

Chief Operating Officer: Ryan Ibach

A public hearing will take place during this meeting regarding the 2024 Fee Schedule. The hearing was advertised to the public. The same process will be done with the 2024 Budget Hearing that will take place during the October Board of Health meeting. The proposed budget will be available at the Yakima Health District office and on the YHD website. The Board can take a vote on the budget at next month's meetings, or the December Board of Health Meeting.

Financial Report: Chase Porter

August 2023 Budget Summary

We had a gain of approximately \$164K, bringing our total excess revenue to \$1.7M.

August 2023 Revenue and Expenditures

- Annual budgeted revenues and expenditures: \$9.9M and \$10.1M, respectively.
- Year-to-date budgeted revenue and expenditures: \$6.6 and \$6.8, respectively.
- Year-to-date actual revenue and expenditures: \$8M and \$6.3M, respectively.

The State Auditor's Office concluded the audit with only minor recommendations and no findings. Foundational Public Health Services funds continue to be the main source of funding. The overage in Contracted Services is due to the Culligan Water program for the GWMA Water Delivery. COVID-19 expenses will have a slight increase in the next few months due to campaign messaging.

Regarding the 2024 Budget, there are 53 FTEs budgeted, compared to the 49 FTEs in 2023, with no loss of staff. More funds are budgeted for several of the Environmental Health Programs due to a higher demand for inspections in the food and land development programs. With the expected growth in staff and in the growing number of inspections needing to be done, the purchase of vehicles will be budgeted for. Because the Yakima Health District oversees the BCCHP program for the Spokane Region, additional funds will be going to that program. The YHD 2024 Proposed Budget plans for \$12.5M in expenditures.

Discussion Included:

- *Commissioner McKinney requested a specific line item highlighting the amount of FPHS funds spent on the prevention of the fentanyl crisis.*

Health Officer: Neil Barg

Surges in COVID-19 cases are occurring in Washington State and nationwide. Most new strains are Omicron derivatives. There are not as many hospitalizations, severe illness, and deaths related to COVID-19. This may be due to prior infection and the vaccines available. Prevention methods remain to be good handwashing skills, avoiding public areas when sick, and masking recommendations from the State Department of Health and the Centers for Disease Control. There is now identifiable lab testing that can help identify long COVID. Flu vaccines are now available. A brief history of the opioid crisis was shared.

Disease Control: Melissa Sixberry

Flu and COVID activity is being seen in Yakima County, with 12 outbreaks in long-term care facilities. The three hospitals in Yakima County will begin reporting the number of flu cases being identified, and those numbers will be updated regularly on the website. Providers, restaurants, and homeless shelters were notified of the high case rates of shigella found in Yakima County and best prevention and education practices. The Public Health Nurses along with Dr. Barg are hosting a monthly meeting where local providers can discuss what they are seeing in Yakima County. The Child Death Prevention program is starting up again with the first cases to be reviewed surrounding suicide.

Local Emergency Response Coordinator: Andy Wilson

The Yakima Health District assisted in the fire and explosion that took place on September 22, 2023, in Toppenish, which tragically had one fatality. ICS for the fire at DTG Landfill has demobilized as there is no immediate threat to the community. Monitoring will continue. The Yakima Health District will partake in The Great Shake Out drill taking place on October 17, 2023.

Environmental Health: Shawn Magee

DTG Landfill is in the process of obtaining a clean air permit and have resolved all other issues that needed to be addressed prior to receiving a solid waste permit. Once the clean air permit is issued, they can begin the process of applying for the solid waste permit. Caton Landfill remains open and operating without having a permit to do so and despite several requests from the Yakima Health District to cease all illegal operations. Caton Landfill filed an appeal with the Pollution Control Hearings Board (PCHB). The Mabton City water system has been deemed safe and not contaminated, however further investigation into the odor and taste concerns brought forth by the public continue. Environmental Health Staff remain busy conducting inspections in several different programs. The Yakima Health District is requesting authority to approve water treatment plans for Group B water systems.

Public Health Partnership: Lilian Bravo

As respiratory illness season approaches, YHD staff called local pharmacies to inquire about where the flu and COVID vaccines are available and place that information on the Yakima Health District website. On that website, testing locations are also listed. A close partnership with the State Department of Health continues as the Yakima Health District remains the sole provider of the BCCHP Program for the Yakima region, Spokane region, and most of rural Eastern Washington. The State Department of Health provided additional funds for the vendors of the Developmental Disease Program.

8. UNFINISHED BUSINESS:

a. 2024 Public Fee Schedule Hearing: Ryan Ibach

The Fee Schedule Hearing opened for discussion at 11:03 am. The Fee Schedule Hearing concluded at 11:03 am with no comments or concerns mentioned by members of the public.

b. Proposed Motion: To adopt the 2024 Fee Schedule

To adopt the 2024 Fee Schedule	MOVE TO APPROVE: LaDon Linde SECOND: Dave Atteberry <input checked="" type="checkbox"/> <i>Approved</i> <input type="checkbox"/> <i>Declined</i> <input type="checkbox"/> <i>Amend</i> <input type="checkbox"/> <i>Table</i> <i>* 9 in favor, 0 opposed.</i> <i>The motion passed.</i>
--------------------------------	---

9. NEW BUSINESS:

- a. YHD Board Public Communication regarding COVID-19 Masking: Amanda McKinney

Amanda McKinney shared with the Board her concerns regarding schools, universities, and facilities in Yakima County requiring or mandating the use of face masks and the negative impacts those mandates had on the community.

Discussion Included:

- *There are no mandates or restrictions anticipated at the State or Federal level.*
- *All guidance will come from the State Department of Health and the Centers for Disease Control.*

Commissioner Linde has recommended three-hour meetings, due to the YHD spotlight and executive sessions that have taken additional time. After some discussion, the meetings will now be scheduled from 8:30 am – 11:30 am.

10. Adjourn to the next regularly scheduled Board of Health Meeting on October 25, 2023.	MOVE TO ADJOURN: Amanda McKinney SECOND: LaDon Linde <input checked="" type="checkbox"/> <i>Approved</i> <input type="checkbox"/> <i>Declined</i> <input type="checkbox"/> <i>Amend</i> <input type="checkbox"/> <i>Table</i> <i>* 9 in favor, 0 opposed.</i> <i>The motion passed.
