Discussing the goals/purpose for the BH SUD Coalition  Review and update the Charter	Members agreed that additional charter revisions are needed. Keeping the chairs but removing the organizational requirement seems to have most in agreement. The group reached consensus on meeting monthly and agreed to complete a doodle poll to find the date/time. Members also committed to reviewing the drafted charter and system maps and will email any recommended charter changes to Melissa Holm @ <a href="mailto:melissa.holm@co.yakima.wa.us">melissa.holm@co.yakima.wa.us</a> . Deann will send out a Doodle poll to select the meeting date and time in a follow up email.
Review BH Systems maps	<p>Esther reviewed the systems maps and discussed the resources and any gaps in service availability.</p> <p>Members agreed reviewing all three systems maps would be a great place to start and using the associated actions plans give good next steps.</p>
Put out an ask for feedback from LE on resource guide development ....	General group discussion but no action items where developed. <span style="background-color: yellow;">Added to next month's agenda for additional discussion.</span>
