This Agreement is entered into by the Board of County Commissioners for Yakima County, Washington, hereinafter referred to as the "County," the Yakima County Sheriff, hereinafter referred to as the "Sheriff," both of whom are the "Employer," and the Yakima County Law Enforcement Officer's Guild, Yakima, Washington, hereinafter known as the "Guild," on behalf of employees of the Sheriff's Office covered by this Agreement.

The purpose of this Agreement is to comply with all the provisions of RCW 41.56 and to increase the general efficiency of the Sheriff's Office and to maintain harmonious relations between the County and Deputy Sheriffs of the Guild and, further, to promote the morale and protect the rights and privileges, well being and security of the Deputy Sheriffs. To accomplish the foregoing, the parties hereto agree to the following articles within this Agreement.

Unless otherwise indicated, "days" for purpose of this agreement means calendar days.

### **RECOGNITION**

The Employer recognizes the Guild as the sole bargaining agent for the purposes of negotiating and establishing salaries, wages, hours and working conditions of employment for all fully commissioned law enforcement officers as defined in RCW 41.26.030(3), excluding the Sheriff, the Lieutenants, unclassified civil service appointees and all other employees of the Sheriff's Office. The Employer agrees to nominate its bargaining representative for subsequent negotiations within three weeks following a request by the Guild on behalf of the fully commissioned law enforcement officers. In this Agreement, the reference to employee shall mean fully commissioned law enforcement officer.

## **PRODUCTIVITY**

It is mutually agreed that the Employer and the Guild shall work together individually and collectively to meet the law enforcement requirements of the Sheriff's Office, to provide the public with efficient and courteous service, to encourage good attendance and morale of employees, and to promote a climate of labor relations that will aid in achieving a high level of efficiency in the Sheriff's Office.

## **ARTICLE 1 - CHECK OFF**

The County, when so authorized and directed by a member of the Guild in writing, will deduct Guild dues from the wages of all said employees in the bargaining unit

- 2.2 The Employer will not discriminate against any employee because of membership in the Guild or because of participation at lawful Guild activities.
- 2.3 Any employee within the bargaining unit who may feel aggrieved, may seek remedy by the grievance procedure provided in this Agreement except as otherwise provided in said Agreement.
- 2.4 The Guild shall be promptly provided by the Yakima County Personnel Office with the name, position or employment, and date of hire of all new employees. Guild representatives and officers shall have access to new employees on the job for the purpose of recruitment. Such access shall, however, be reasonable in time and scope.
- 2.5 The County and the Sheriff recognize, under the terms of this Agreement, the rights of employees concerning freedom of political association, expression, and other rights contained in RCW 41.06.250 and further recognize the right of employees to be free from Employer requests or requirements of political association, expression and support contained in RCW 41.14.190.
- 2.6 The County and the Sheriff recognize that employees may not be required to submit to a polygraph as a condition of employment or continued employment except as provided in RCW 49.44.120. This section does not preclude voluntary polygraphs.

- 16.1 Consistent with Yakima County Code 2.98.030, if an action or proceeding for damages is brought against an employee arising from acts or omissions made while acting, or in good faith purporting to act, within the scope of the employee's official duties, then the County

#### **ARTICLE 17 - DISCIPLINE**

- 17.1 Just cause. An employee may be disciplined only for just cause.

- 17.2 Types of discipline. Disciplinary actions include the following:

- A. Verbal reprimand,
- B. Written reprimand,
- C. Suspension without pay,
- D. Demotion,
- E. Discharge.

In the event of a suspension without pay, the Sheriff may substitute annual leave hours or earned compensatory time in lieu of actual time off without pay subject to mutual agreement of the parties. For any misconduct(s) or violation(s) the Sheriff has the right to implement a disciplinary transfer of an employee for just cause if the Sheriff determines such action to be appropriate.

- 17.3 The parties agree that for non-serious misconduct(s) or violation(s) progressive and escalating levels of discipline are preferable to allow an employee proper notice of misconduct and the opportunity to improve performance and to allow the Employer to document prior disciplinary matters. The level or degree of discipline imposed shall be appropriately based on an employee's prior record of service, length of service, severity of offense and prior record of discipline. The order in which these criteria appear are not indicative of their priority. An employee may be suspended without pay when said employee has first received one written reprimand relating to said employee's previous work or conduct. An employee may be discharged when said employee has first received a suspension relating to said employee's previous work or conduct. All previous disciplinary actions in an employee's file may be evaluated and considered in a disciplinary action.

The parties agree that for serious misconduct(s) or violation(s) progressive and escalating levels of discipline are not applicable but other forms of progressive discipline such as starting with a suspension without pay may be applicable. Serious misconduct(s) or

violation(s) warrant the imposition of disciplinary action such as suspension without pay or demotion or discharge on the first offense regardless of whether the employee has any prior record of discipline.

- 17.4 Misconduct(s) or violation(s) are inclusive of but not limited to the provisions of the Yakima County Civil Service Commission Rules and Regulations as set forth in Rule XIII, Section 4 of said Rules and Regulations as they presently exist.
- 17.5 Probationary employees. The provisions of this Article shall not apply to newly hired or promoted employees serving a probationary period under RCW Chapter 41.14 provided that the Sheriff's determination shall be final and binding on all parties. A classified employee having civil service status may take a promotion to a higher civil service position and maintain the right to return to said employee's former position or a like position if the Sheriff determines the employee is unable to meet the requirements of the classification.
- 17.6 Disciplinary action may be reviewed pursuant to Article 19 of this Agreement.
- 17.7 Written reprimands (excluding suspensions without pay, or discharges) shall no longer be considered in evaluating future discipline eighteen months from the date of issuance if no other written reprimands on the same subject matter have been issued during that time.
- 17.8 Only one official personnel file shall be maintained on a bargaining unit member in the Human Resources Office. However, a copy of the personnel file, except for that information which is protected or confidential, may be maintained at the Sheriff's Office. This does not preclude a supervisor from maintaining notes on a bargaining unit member's job performance or a supervisory working file. For purposes of this section a "supervisory working file" consists of material relevant to the preparation of the employee's performance evaluation and/or documentation of oral counseling sessions, verbal reprimands, commendations, training records, or other records related to an employee's performance. Supervisors will maintain the file with documents from the previous year plus the current evaluation year.
- 17.9 Lethal Force: When an employee, whether on or off duty, uses deadly force which results in the injury or death of a person, or discharges a firearm in which no injury occurs, the employee shall not be required to make a written or recorded statement for forty-eight (48) hours after the incident except that immediately following the incident the employee shall verbally report to a superior a brief summary of the incident and any information necessary to secure evidence, identify witnesses, or apprehend suspects. The affected employee may waive the requirement to wait forty-eight (48) hours.

## **ARTICLE 18 - DISCIPLINARY PROCEDURES**

- 18.1 Any employee who is under investigation for disciplinary action which may result in a permanent notation in his/her personnel file or which may result in suspension without pay, demotion or discharge, shall, before being required to respond or answer questions pertaining thereto, be informed of the existence and nature of the allegations, the facts

supporting them, and the name of the complainant, if any. If an employee requests, they may have a reasonable time (not to exceed five working days) to consult with a Guild representative or counsel. The employee has the right to have his/her choice of a Guild representative present or counsel present during any pre-disciplinary meetings or questioning. In criminal matters the employee shall be afforded the constitutional rights available to any citizen. The employee and the Guild representative shall cooperate with the pre-disciplinary process by attending pre-disciplinary meetings and responding to questions as directed by the Sheriff or his designee.

- 18.2 The employee under such investigation shall be informed of the name of the person in charge of the investigation and their agency, and the name of the questioners and their agency, and all other persons to be present during the questioning. The employee will be required to answer any questions involving non-criminal matters under investigation and will be afforded all rights and privileges to which she/he is entitled under the collective bargaining agreement, and Sheriff's Office rules and regulations. Prior to any questioning where the employee is the focus of an administrative investigation, the employee shall be advised of the following:

You are about to be questioned as part of an administrative investigation being conducted by the Yakima County Sheriff's Office. You are hereby ordered to answer the questions that are put to you that relate to your conduct and/or job performance, and to cooperate with this investigation. You are required to answer questions relating to the performance of your official duties or fitness for duties. Your failure to cooperate with this investigation such as refusal to answer questions can be the subject of disciplinary action in and of itself, including discharge. The statements you make or evidence gained as a result of this required cooperation are admissible for administrative purposes such as discipline but will not be used or introduced into evidence in a criminal proceeding.

- 18.3 When possible, the questioning shall be conducted at a reasonable hour, preferably at a time when the employee is on duty or during the normal waking hours, unless the seriousness of the investigation requires otherwise. If such questioning occurs during off-duty time of the employee being questioned, the employee shall be compensated for such off-duty time in accordance with regular employer procedures. Any questioning session shall be for a reasonable period, taking into consideration the gravity and complexity of the issue being investigated. Persons being questioned shall be allowed to attend to their own personal physical necessities whenever reasonably possible. The employer shall not require employees being questioned to be subjected to visits by the press or news media nor, except as required by the Public Disclosure Act, shall their home address be given to the press or news media without the employee's express consent.
- 18.4 The complete questioning of an employee shall be recorded by the employer subject to the consent of the interviewed employee. Upon request, the employee shall be given a copy of any recording and the transcript, if one was created, in which they participated. As an operation of this agreement, all other participants to the interview will be deemed to have already consented to being recorded.

- 18.5 Any disciplinary action by a supervisor other than the Sheriff, except informal verbal reprimands of which no record is kept or entered in the employee's personnel file, shall not be final unless affirmed in writing by the Sheriff.
- 18.6 The investigation of any potential disciplinary action shall be completed within sixty (60) days of first notice to the employee's superiors. However, the sixty 60 day period shall be extended by additional thirty (30) day periods if the Sheriff provides written notice to the employee of the extension prior to the expiration of the sixty 60 day period, and then again prior to the expiration of the thirty 30 day extension periods. The notice must explain the reasons for the extension. Expiration of the 30 day period without notice of extension shall constitute a final resolution of the disciplinary action in favor of the employee. Employees will be shown the file and provided an opportunity to offer any information at the completion of the internal investigation and before the file is submitted to the Division Chief or the Sheriff for their determination.
- 18.7 Loudermill Meeting: In the event that a misconduct or violation may warrant a written reprimand, suspension without pay, demotion or discharge, the employee, with guild representation, if they choose, shall, before the disciplinary action is finalized, have the opportunity to discuss the matter with the Division Chief and Sheriff and be informed in writing of the facts and nature of the charges and the intended discipline and the investigatory file. The employee shall be given an opportunity to respond to the charges, including, if requested, a reasonable time (not to exceed five (5) days) to consult a Guild representative or counsel. The Sheriff or his designee will make a reasonable effort to schedule the Loudermill meeting within fifteen (15) days of completion of the investigation. Any pre-disciplinary meeting shall be recorded. Following a consideration of any additional information provided by the impacted employee, or if the employee fails to avail themselves of a reasonable opportunity for a Loudermill meeting, the Sheriff may proceed based on the information available without further employee input, and the final determination will be made. The employee and the guild will be notified in writing of the final determination and provided with a copy of any additional documents generated through the Loudermill meeting process.
- 18.8 Within 15 days of the completion of the Loudermill meeting, the employer shall furnish the employee with a written decision regarding any disciplinary action. However, if further investigation is necessary as a result of matters raised during the Loudermill meeting, the Sheriff or his designee shall have an additional fifteen (15) days from the conclusion of the investigation to issue a final written decision. The employer shall furnish the Guild president and the Guild Attorney with a copy of all final disciplinary actions within three days after such action is taken. The employer shall, on request, provide the factual and procedural basis for such action to the Guild. The Guild will not distribute such information beyond the Guild board of directors without the affected employee's consent.
- 18.9 The Sheriff or his designee has the right to suspend an employee with pay pending the outcome of an investigation. Such suspension is appropriate if the Sheriff or his designee determines that there are circumstances which could result in interference with an investigation, harm to the employee, harm to fellow employees and/or the potential for

liability/damages to the County if the employee were to continue working and/or be present at the work place.

## **ARTICLE 19 - GRIEVANCE PROCEDURE**

- 19.1 The parties hereto recognize the need for fairness and justice in the adjudication of employee grievances and enter into this Agreement in a cooperative spirit to adjust such actions promptly and fairly. If, however, a grievance cannot be resolved through normal means, the grievance will be settled as hereinafter provided.
- 19.2 A grievance is defined as a dispute involving the interpretation, application or alleged violation of any provision of this Agreement.
- 19.3 Any employee who believes that he/she has a grievance arising out of the terms of this Agreement may personally, or through a representative, apply for relief under the provisions of this Article. An employee may pursue a grievance up to Step 2 but the decision as to whether or not to arbitrate is retained solely by the Guild, not the individual employee subject to the provisions of Section 19.6. If the Guild files a grievance in accordance with Section 19.6 regarding a matter similar to the employee's grievance then the employee must withdraw his/her grievance. All discipline grievances whether filed by the employee or the Guild shall be filed directly with the Sheriff.
- 19.4 The parties agree that the time limitations provided are essential to the prompt and orderly resolution of any grievance and that each will abide by the time limitations, unless waived or extended by mutual agreement of the parties to the grievance.
- 19.5 If an employee does not file a grievance within thirty (30) days of its occurrence, then said employee shall have waived all rights and remedies under this Article relating to said grievance. Failure to pursue a grievance to the next step renders final the determination.
- 19.6 The parties agree an election of remedies must be exercised by the employee and the Guild and that said employee as well as the Guild shall not be provided a hearing before both the Civil Service Commission and an arbitrator regarding any disciplinary matter. In the event the Guild chooses to pursue a discipline grievance to arbitration, then the appeal before the Civil Service Commission shall be dismissed prior to any proceedings to arbitration. Should an employee decline to dismiss their civil service appeal, then the Guild shall dismiss the grievance and the request for arbitration. If the employee files a grievance pursuant to Section 19.3 and the Guild files a grievance pursuant to the provisions of this section regarding similar facts and alleged violations then only one of the grievances may be submitted for arbitration and the other must be dismissed by the grievant. If the Guild does not file a grievance within thirty (30) calendar days of its occurrence or knowledge of the occurrence, then the Guild shall have waived all rights and remedies under this Article relating to said grievance. Failure to pursue a grievance to the next step renders final the determination.

19.7 The grievance procedure shall be as follows:

Step 1: The grievance shall be presented in written form to the employee's division head and the Guild within fourteen (14) days from its occurrence. The division head shall respond in writing within ten (10) days after receiving said grievance with a copy to the Guild. The Guild also retains a right to file a grievance. The Guild, at its option, may file a grievance directly with the Sheriff. To be timely, a Guild grievance must be filed within fourteen (14) days of the occurrence or knowledge of the occurrence.

Step 2: If the grievance is not resolved to the satisfaction of the concerned parties at Step 1, then within fourteen (14) days of the response in Step 1, above, the grievance in written form, shall be presented to the Sheriff with a copy to the Guild. Thereafter, the Sheriff shall respond in writing to the aggrieved employee and the Guild within fourteen (14) days after receipt of the grievance.

Step 3:

(a) Final and Binding Arbitration: If the grievance has not been resolved at Step 2, either party to this Agreement may refer unsettled grievances to final and binding arbitration subject to the election of remedies provisions reflected in Section 19.6 above if the matter relates to discipline or promotions and also subject to the 19.6 election of which grievance will be submitted to arbitration in non-disciplinary matters.

(b) Notice - Time Limitation: The referring party shall notify the other party in writing of submission to arbitration within fourteen (14) calendar days after receipt of the Step 2 response.

(c) Arbitrator - Selection: For disciplinary grievances, the parties shall follow applicable state law in the selection of an arbitrator. For non-disciplinary matters, after timely notice, the parties shall attempt to select an arbitrator by agreement. In the event the parties are unable to reach agreement on the appointment of an impartial arbitrator within seven calendar days from the receipt of the request for arbitration, then either party may request, subject to any requirements of state law, that the Washington State Public Employment Relations Commission provide a list of eleven qualified and approved non-staff or private arbitrators from which list an arbitrator shall be selected by alternatively striking one name from the list until one name shall remain.

(d) Decision - Time Limit: The arbitrator shall meet and hear the matter at the earliest possible date after his or her selection. After completion of the hearing, a decision shall be entered within thirty calendar days, unless an extension of time is agreed upon by the parties.

The parties agree that discipline grievances shall be expedited. The parties shall promptly select and schedule an arbitrator and the hearing shall be commenced

within one hundred and twenty (120) days of the designation of the arbitrator, unless otherwise mutually agreed and/or unless extenuating circumstances make it unreasonable to commence the hearing within that time.

(e) Limitation - Scope - Power of Arbitrator:

(i) The arbitrator shall not have the authority to add to, subtract from, alter, change or modify the terms of this Agreement.

(ii) The arbitrator shall have the power to interpret and apply the terms of the Agreement and to determine whether there has been a violation of the terms of the Agreement.

(iii) The arbitrator shall consider and decide only the questions or issues raised at Step 1 and/or Step 2 and shall have no authority to determine other issues not so submitted. If the parties fail to agree on joint submission of the issue for arbitration, each party shall submit a separate submission and the arbitrator shall select from the issues submitted and determine the issue or issues to be heard and resolved.

(iv) The arbitrator shall have the authority to receive evidence and question witnesses and shall keep a verbatim record of testimony.

(f) Arbitration Award - Damages - Expenses:

(i) The arbitrator shall not have the authority to award punitive damages.

(ii) Each party hereto shall pay the fees and expenses of their own attorneys, representatives, witnesses and other costs associated with the presentation of their case before the arbitrator. The cost and expense of the arbitrator shall be borne equally by the parties.

(iii) Any dispute over the arbitrator's remedy shall be returned to the arbitrator for resolution.

**ARTICLE 20 - PROBATIONARY STATUS LIMITATION**

New employees shall serve a nine month probationary period starting after successful completion and graduation from the Basic Law Enforcement Academy. Newly hired employees who have successfully completed and graduated from the Basic Law Enforcement Academy prior to their employment with the Yakima County Sheriff's Office shall serve a twelve month probationary period starting from their date of hire with the Yakima County Sheriff's office. Employees on probation shall be subject to discharge/termination without just cause and without recourse to the grievance procedure and without recourse to the Civil Service Commission.

## **ARTICLE 21 - LAYOFF, RECALL AND TRANSFERS**

- 21.1 The Sheriff and/or the Board of County Commissioners shall be the sole determiner of when layoffs are necessary. The Board may lay off employees when such action is determined to be necessary by reason of lack of work, lack of funds, and/or reorganization of the department. Each employee affected by a reduction in force/lay-off shall be notified in writing of the layoff and the reasons therefore at least fifteen days prior to the effective date of the layoff.

The parties intend that the County has budgeted adequate funds to compensate employees at the level indicated in this agreement without incurring a layoff. Therefore, layoffs caused from a “lack of funds” occur when unanticipated revenue decreases or expenditure increases prevent the County from maintaining existing staffing levels.

- 21.2 When it is necessary to implement layoffs, the Sheriff shall determine the number of employees by classification in which the reductions will take place. The Guild attorney or President will be notified of the number of employees and classifications designated for reduction as soon as practicable.

Upon request, the employer will agree to meet with the union and discuss the reason for the intended layoffs and alternatives. When reducing the work force, the Sheriff will layoff employees in the reverse order of their seniority within the affected classification of line deputy, deputy sergeant, or lieutenant.

- 21.3 Employees laid off will be eligible for reinstatement for a period of one year. In the event of a vacancy in the effected classification, an employee who has been laid off will have the first opportunity to fill said vacancy or vacancies in the order of their seniority in that position, provided the employee can perform the work needed in a satisfactory manner and provided the layoff period does not exceed one year and that the employees keep the Employer advised of their current address. An offer of re-employment shall be in writing and sent by registered or certified mail, return receipt requested, to the employee. The employee shall be presumed to have received notice within three days after the Employer mailed said notice. An employee so notified must indicate his/her acceptance of said re-employment within ten days of receipt of notice and shall be back on the job within twenty days of acceptance of said offer or forfeit all call-back rights under this Article.

- 21.4 All permanent interdepartmental transfers shall be preceded by a five day written notice to the affected employee, except in the event of emergency.

- 21.5 Persons laid off within each classification shall revert to the next lowest rank or classification in which they have previously served. In the event that such entry requires or results in a reduction in force in the lower rank, such reduction shall be accomplished by a demotion or lay-off of the person or persons in said lower classification or rank having the least seniority. Time spent in all higher classifications or ranks shall count towards seniority for purposes of lay-off within an affected classification, provided that such service has been continuous since the last date of hire. In the event of a subsequent vacancy in a

higher classification or rank, employees demoted by lay-off shall have the first right to be reassigned to a higher classification or rank.

## **ARTICLE 22 - MILEAGE**

All employees of the Sheriff's Office required by the County to use their private cars for official Sheriff's Office business as directed by a superior officer, shall be compensated at the current IRS rate. Bullet proof vests shall be replaced as required by the manufacturer's warranty, or sooner if necessary to insure officer safety as determined by the Employer. The Employer shall notify the employees of the vest designation, and shall advise the employees of the price of the vest, and the name and address of the supplier.

For purposes of this policy, a criminal drug statute means any criminal law involving the manufacture, distribution, dispensation, use, or possession of any controlled substance.
7. Employees have the right to challenge the results of certain tests and certain discipline imposed in accordance with the Grievance procedure of their labor contract. Employees who dispute the results of a drug test may have their split sample tested at their own cost at another DHHS-certified laboratory. This employee request must be made in writing within 72 hours of notification of a positive drug test result by the MRO.
8. Employees having knowledge of another employee's condition/behavior that poses a potential threat to the safety of employees and/or the public are obligated to immediately inform the employer of the problem. The employer may assist the employee in getting help with the problem.
9. Employees who are required to undergo a drug and/or alcohol test will be provided transportation to the collection facility and shall also be offered transportation home by a Department representative. If suspected of being impaired, the employee will be advised against driving him/herself home or otherwise operating a motor vehicle.

10. Employees may have a Guild representative present at the collection facility. However, the lack of Guild representation shall not cause unreasonable delays in the collection process. If there are delays and the test is rendered invalid, useless, and/or inaccurate, then the Employer has the right to proceed based on observations if the Employer determines discipline is applicable provided that this does not prevent the Guild from challenging the accuracy under the grievance procedure.
11. Employees shall fully cooperate in the collection process.

## **G. DETECTION**

1. Reasonable suspicion and the basis for implementation of substance abuse testing: Once the steps outlined in the attached "Supervisor's Guidelines" are followed, an employee may be required to undergo a drug and/or alcohol test when reasonable suspicion exists to indicate that the employee has the presence of a prohibited substance in the employee's blood, breath and/or urine, whichever is applicable. Other bases for testing include where an employee is involved in any accident if the employer suspects the presence of alcohol and/or controlled substance where the County receives reliable information based upon personal knowledge of an individual, including but not limited to, other employees of the County, the medical community, or law enforcement personnel, of involvement by the employee with alcohol and/or controlled substances.
2. The decision to conduct a drug and/or alcohol test shall be made by the employee's on-duty supervisor or the highest-ranking supervisor on duty. In all cases, the on-call executive will be notified as soon as the situation allows.
3. Refusal to submit to a drug and/or alcohol test authorized by this policy shall be grounds for discharge.
4. Searches:
  - (a) The Department has the right to search, without employee consent, any and all County-owned property. These areas include, but are not limited to, office space, cars, desks, file cabinets and the like.
  - (b) The Department shall have the right to search (1) County-owned property and (2) with probable cause, private property belonging to the employee, such as a personal equipment bag, brief case, or private vehicle on County premises. The employee shall have the right to Guild representation during the search provided such representation does not delay the search.

(c) If the Department is going to conduct a search, the Department shall first inform the employee that:

(1) The Department has reasonable suspicion to suspect that evidence exists within the area or item to be searched which could be used in disciplinary and/or legal proceedings against the employee;

(2) The employee has the right to Guild representation during the search.

(d) The Department may contact a police authority having jurisdiction to conduct a search according to and in the manner authorized by law.

5. Presence of, use of, possession, manufacture, distribution or sale of alcohol, drugs, or drug paraphernalia on County property or during work time is expressly prohibited and provides a basis for discipline under department rules and regulations, and shall constitute cause for drug and/or alcohol testing under this policy. For purposes of this policy, work time includes meal and break periods or any other time when the employee is on paid status and also includes when an employee is operating a County vehicle off-duty. Alcoholic beverages that are properly stored, unopened, in the trunk of an employee's personal vehicle will not be considered a violation of this policy. Any illegal drugs and/or drug paraphernalia coming into the County's possession will be turned over to the police authority having jurisdiction.

## **H. TESTING PROCEDURES**

1. Drug and alcohol testing shall be conducted in a manner designed to protect employees, protect the integrity of the testing process, safeguard the validity of test results, and ensure that those results are attributed to the correct employee.
2. Employees who are required to undergo a drug and/or alcohol test will be provided transportation to the collection facility and shall also be offered transportation home by a Department representative.
3. Employees may have a Guild representative present at the collection facility. However, the lack of Guild representation shall not unreasonably delay the collection process.
4. Employees required to undergo a drug and/or alcohol test shall cooperate fully in the collection process and complete all required forms and documents. These forms include, but are not limited to, a Consent/Release form and an Interview form.
5. Urine samples for drug testing shall be collected at a collection site designated by the Employer using the split sample collection method. The split sample is made available if retesting becomes necessary. Any

specimen that tests positive for drugs shall be retained in long-term frozen storage by the laboratory conducting the analysis for a minimum of one year.

6. If medical personnel at the collection site have reason to believe that an adulterated or substituted sample has been provided (or that the employee-altered or substituted the sample), the employee will be required to immediately submit a second sample (or the original sample). This collection shall be under the direct observation of a same gender collection site staff person. The employee will be required to provide the additional or original sample during an observed collection prior to leaving the collection site.
7. An appropriate chain of custody procedure shall be followed in the administration of all drug tests. Urine samples shall be sealed and initialed by the employee and a witness.
8. Urine samples shall be promptly sent to and tested by a laboratory that is certified to perform drug tests by the Department of Health and Human Services (DHHS). Initial drug screening shall be conducted using an accepted immunoassay method. All positive tests shall be confirmed using the gas chromatography/mass spectrometry (GC/MS) drug testing method. The laboratory shall test for only the substances and within the limits as follows for the initial and confirmation tests, as provided within NIDA standards, unless this section is modified by amended agreements provided for in Section L.3.:

Initial Tests

Alcohol *	
Marijuana metabolites	50 ng/ml
Cocaine metabolites	300 ng/ml
Opiate metabolites (morphine and codeine)	300 ng/ml
Phencyclidine	25 ng/ml
Amphetamines (Amphetamine and Methamphetamine)	1000 ng/ml
Barbituates	300 ng/ml
Benzodiazepines	300 ng/ml
Methadone	300 ng/ml
Methaqualone	300 ng/ml
Propoxyphene	300 ng/ml

- a. If immunoassay is specific for free morphine the initial test level is 25 ng/ml.

### Confirmatory Test

Alcohol *	
Marijuana metabolites	15 ng/ml
Cocaine metabolites	150 ng/ml
Opiate metabolites (morphine and codeine)	300 ng/ml
Phencyclidine	25 ng/ml
Amphetamines (Amphetamine and Methamphetamine)	500 ng/ml
Barbituates	300 ng/ml
Benzodiazepines	300 ng/ml
Methadone	300 ng/ml
Methaqualone	300 ng/ml
Propoxyphene	300 ng/ml

9. Alcohol shall be tested by means of a Breathalyzer machine currently in use (B.A.C.) or future equipment which may supercede the B.A.C. machine (but excludes the P.B.T. device.) Breathalyzer alcohol tests shall be conducted at a site designated by the Employer. The testing shall follow the protocols established for criminal investigations, including the requirement of two breath samples within the proper variance. If the initial test indicates an alcohol concentration of .02 or greater, a second test shall be performed to confirm the results of the initial test at the election of the employee. The confirmatory test shall be by means of a blood draw. The confirmatory test shall also use a .02 blood alcohol concentration level to measure a positive test. If the Employee refuses to take the second confirmatory test, the first test will be used to determine alcohol concentration. The use of a BAC does not preclude the use of a blood draw for the initial testing. Whether a BAC and/or a blood draw is used depends on the circumstances leading the Employer to the conclusion that there needs to be a test.

\*The Sheriff's position is that with regard to the cut off level for a positive alcohol test result it is .02 or greater based on his belief that law enforcement should be a no tolerance environment and the presence of any alcohol should be prohibited for safety reasons and to set an example within the jurisdiction of this Sheriff.

10. Upon written request by the employee, the County shall make one legible copy of the results of his/her drug and/or alcohol tests available to the employee.
11. All information collected in the process of conducting a drug and/or alcohol test shall be treated as confidential information. These files shall be separate from the personnel file; sealed and maintained in a secure medical file. However, such information shall become available to other persons on a need to know basis if there is a grievance or other administrative law or legal action.

12. Employees who refuse or fail to fully cooperate in the collection process shall be subject to discipline up to and including discharge. Examples of a failure to fully cooperate include such actions as, refusing to sign the necessary consent/release forms; delaying and/or obstructing the collection process; failing to provide the specimen for testing; and attempting to substitute or adulterate a specimen. The foregoing list is not intended to be an all-inclusive list. Sheriff management shall, in all circumstances, have the final right to determine the appropriate level of discipline depending on the specific circumstances, the employee's performance record, and any other pertinent facts.

## **I. REPORTING OF RESULTS**

1. The County shall have a designated Medical Review Officer (MRO) who must be a licensed physician with knowledge of substance abuse disorders and familiar with the characteristics of the laboratory tests (sensitivity, specificity, and predictive value). The role of the MRO will be to review and interpret the positive drug test results.
2. Alcohol Test Results. Laboratory or collection site personnel will report the test results to the Sheriff or his/her designee and the County Human Resources Director. If the confirmation test meets or exceeds 0.02 g/210 ml, the laboratory or collection site personnel shall report to the Sheriff, or his or her designee and the County Human Resources Director that the employee tested positive for alcohol. If the test result is below 0.02 g/210 ml, the laboratory or collection site personnel will report to the Sheriff or his or her designee and the County Human Resources Director that the employee tested negative for alcohol.
3. Drug Test Results. Laboratory personnel will advise the Sheriff or his/her designee and the County Human Resources Director directly of all negative drug test results.

The laboratory will advise the MRO, the Sheriff or his or her designee, and the County Human Resources Director of any positive drug test results. The MRO must examine alternate medical explanations for any positive test results. This process shall include an interview with the affected employee and a review of the incident file, employee's medical history and any other relevant factors. The MRO must review medical records made available by the tested employee when a confirmed positive test could have resulted from legally prescribed medication. Employees involved in this step of the examination shall make themselves and any relevant records they wish to present available to the MRO within 48 hours after request.

After reviewing the incident file and interviewing the employee, the MRO shall report to the Sheriff or his/her designee and the County Human Resources Director the name of the employee, and whether a positive test of a prohibited substance has been verified. The MRO shall also supply all applicable reports and information regarding the positive test.

4. Rehabilitation Program. If the tested employee is referred on to rehabilitation or treatment, the MRO is authorized to communicate specific results to the Substance Abuse Professional (SAP) or counselor overseeing the employee's treatment program.
5. Grievance. The laboratory and/or the MRO is authorized to release specific test results to the County and the Guild in cases of disciplinary proceedings, a grievance and/or a legal challenge.

## **J. REHABILITATION AND RETURN TO DUTY**

1. The County recognizes that substance abuse can be successfully treated, enabling an employee to return to satisfactory job performance. Employees who are concerned about their own drug use and/or alcohol abuse are encouraged to voluntarily seek assistance through the County's EAP. All such voluntary requests for assistance will remain confidential.
2. An employee who tests positive for a prohibited substance or is otherwise required to submit to a drug and/or alcohol test by this policy shall be medically evaluated, counseled, and treated for rehabilitation as recommended by the SAP. If the employee is required to participate in such a program, his/her reinstatement or continued employment shall be contingent upon:
  - (a) Successful completion of the program and remaining drug- and/or alcohol-free for its duration and three (3) years; and
  - (b) Passing a return to duty drug and/or alcohol test as recommended by the SAP; and
  - (c) Obtaining a final release for duty by the SAP (The final release for duty may be preceded by a temporary release for duty).
3. Employees who successfully complete a rehabilitation program and are released for duty, in addition to being subject to reasonable suspicion testing at any time, will be subject to follow up testing, which involves unannounced drug and/or alcohol testing at least 3 times per year during the following 36 months. The Sheriff or his/her designee will determine when there will be drug and/or alcohol tests. The appointment for the collection will be made in advance and maintained in a confidential manner by the Sheriff or his/her designee until the day of the collection. The Sheriff or his/her designee shall provide the supervisor with adequate notice of the test date. The employee will not be notified until just prior to the testing. The employee may request a Guild representative to accompany him/her to the collection site, provided the sample is collected within two (2) hours following notification.
4. Upon notification of selection for the follow up tests, the employee must proceed directly to the collection site for testing. At this time, the employee will receive an Employee Notification of Scheduled Drug/Alcohol Test letter from the designated contact. The employee will be required to sign this letter and a Consent/Release form. The employee must present photo

identification to collection site personnel. The Sheriff or his/her designee and the County Human Resources Director will retain a copy of all the forms.

5. Refusing to submit to a return to duty or a follow up test will be considered grounds for discharge. If the selected employee fails to report to the collection site within 2 hours of notification of testing, this will also be considered grounds for discharge.
6. If an employee voluntarily enters a drug/alcohol rehabilitation program, it shall not be considered an offense under this policy. Such employees are, however, still subject to this policy and may be required to undergo a drug and/or alcohol test if reasonable suspicion exists.
7. All appointments with the SAP may be scheduled as sick leave or vacation leave subject to prior approval of the supervisor, Sheriff, or management designee. The SAP will contact the Sheriff or his/her designee to make a recommendation as to the need for further treatment. Once vacation leave and sick leave is exhausted, the employee may be placed on leave without pay. The current contract provision regarding the length of time an employee may be on leave without pay will be applicable. The Sheriff or his/her management level designee shall maintain confidentiality regarding the reason for the leave.
8. The employee will be responsible for all costs, not covered by insurance, which arise from such treatment.
9. Once an employee has tested positive for substance abuse and the MRO has notified the County, the employee will be placed on leave status (vacation, sick, holiday leave bank, compensatory time then leave without pay). The employee will remain on leave until s/he has a release for duty from the SAP and has passed a return to duty drug and/or alcohol test as recommended by the SAP. The release for duty may be a temporary or final release as described below depending on the circumstances.
10. Temporary Release for Duty. The SAP may sign a temporary release for duty indicating that the employee can satisfactorily return to regular work assignment and continue treatment on an outpatient basis. The temporary release for duty shall indicate the length of time such release is valid not to exceed 3 months. The employee must present a final release for duty on or before the expiration date of the temporary release. A temporary release shall include follow up testing. The employee must present both the temporary and final release for duty to his/her supervisor.
11. Final Release for Duty. A final release for duty shall be signed by the SAP indicating that the employee has:

(a) Satisfactorily completed treatment and follow up testing; or

- (b) Does not require treatment at this time, and the employee may return to regular work assignment without restrictions. Failure to provide a final release for duty to the supervisor may result in discharge.
12. Once an employee provides the supervisor with the final release for duty the employee shall be returned to his/her regular duty assignment so long as the total time for rehabilitation, testing and release does not exceed six (6) months. If it exceeds six (6) months, the employee is subject to discharge. After five years of no further violation of this policy, the employee's personnel file shall be purged of any reference to the incident, including any disciplinary actions taken, provided, however, records may be retained beyond five (5) years when retention is required by applicable law. Should applicable law require retention of records past five (5) years, and if allowed by such law, such records shall be sealed and may not be opened except for the existence of a grievance, further disciplinary action and/or further legal proceedings.
  13. If an employee tests positive during the 36-month period following rehabilitation on a reasonable suspicion and/or any other bases for drug or alcohol test, the employee will be discharged.
  14. If an employee tests positive during the 36 month period following rehabilitation on unannounced drug or alcohol test, the employee will be discharged.

#### **K. RANGE OF CONSEQUENCES**

1. Employees who violate this policy will be subject to disciplinary consequences as identified in this policy. In all cases, the County reserves the right to determine the appropriate disciplinary measures, which may be more or less severe than those set forth in this guideline. The following list of actions and the related consequences is illustrative only, and is not intended to be an all-inclusive list of possible disciplinary consequences.
2. If an employee has an alcohol concentration of 0.02 or greater in any alcohol test, and/or tests positive for drugs and/or their metabolites in any drug test and it is the employee's first offense, then s/he shall be referred to the EAP for counseling and/or completion of a substance abuse treatment or rehabilitation program. However, if an employee violates a work rule in conjunction with failing a drug and/or alcohol test, then s/he may be subject to disciplinary action. The County shall have the right to take disciplinary action, up to and including discharge, based on the severity of the incident and/or the employee's past record.
3. Employees will be subject to disciplinary action as indicated for any of the following:
  - (a) Refusal to submit to an authorized drug and/or alcohol test. Refusal to submit to testing means that the employee fails to provide an adequate urine or breath sample for testing without a valid medical explanation

after s/he has received notice of the requirement to be tested, or engages in conduct that clearly obstructs the testing process. Refusal to submit to testing includes, but is not limited to, refusal to execute any required consent forms, refusal to cooperate regarding the collection of samples, refusal or failure to provide necessary documentation to the MRO when requested, and/or submission or attempted submission of an adulterated or substituted urine sample. For a refusal, an employee shall be subject to discharge.

- (b) Reporting for work with the presence of alcohol, drinking alcoholic beverages or using drugs while on duty, on County property, in County vehicles, or during breaks and/or meal periods during work hours shall be subject to discharge.
  - (c) Unlawful manufacture, use, distribution, dispensation, possession, concealment or sale of any controlled substance, including an alcoholic beverage, while on duty, on County property, in County vehicles, or during breaks and/or meal periods during work hours.
  - (d) Any criminal drug statute conviction and/or failure to notify the County of such conviction within 5 days shall be subject to discharge.
  - (e) Failure to complete a counseling, treatment, or rehabilitation program as prescribed by the SAP shall be subject to discharge.
  - (f) Testing positive on a return to duty shall be subject to discharge.
  - (g) Any failures (positive test) on follow up drug and/or alcohol testing during the 36 month following rehabilitation shall be subject to discharge.
  - (h) Failure to report to a collection site within two (2) hours of notification for return to duty or follow up testing shall be subject to discharge.
  - (i) Second offense – alcohol concentration of 0.02 or greater in any reasonable suspicion or any other bases for alcohol test, and/or testing positive for drugs and/or their metabolites in any drug test or any other bases for drug test, shall be discharged.
  - (j) Employee's failure to participate in the temporary and/or final releases for duty testing in a timely manner shall be subject to discharge.
4. Although the foregoing will ordinarily result in discharge regardless of the employee's position, the Sheriff reserves the exclusive right to consider extenuating circumstances and to impose lesser discipline.

## **L. OTHER**

1. The County shall pay for initial costs of the substance abuse examination including the expenses of the Medical Review Officer.

2. The parties recognize that during the life of this agreement there may be improvements in the technology of testing procedures which provide more accurate testing for the presence of alcohol and/or controlled substances or which constitute less invasive procedures for the employees. In that event, the parties will bargain in good faith whether to amend this procedure to include such improvements. If the parties are unable to agree, the issue will be submitted to impasse procedures under RCW 41.56. Meanwhile, the provisions of this policy shall remain applicable.
3. If any provision of this Agreement shall be held invalid by operation of law, or any Tribunal of competent jurisdiction, or if compliance or enforcement of any provision should be restrained by such Tribunal pending final determination as to its validity, the remainder of this Agreement shall not be held to be invalid, and will remain in full force and effect, and the parties, upon request of one to the other shall initiate immediate negotiations for the purpose of arriving at a mutually satisfactory replacement of such provision.
4. The following attachments shall be a part of this Policy: Supervisor's Guidelines, Appendix 1 to Supervisor's Guidelines, Consent/Release Form, Report Form, and Interview Form.

## **YAKIMA COUNTY SHERIFF'S DEPUTIES Substance Abuse Policy**

### **SUPERVISOR'S GUIDELINES**

The primary goal of the Substance Abuse Policy is to provide a working and service delivery environment free from the effects of alcohol/drug abuse. The supervisor's role is to identify employees who may be a threat to the safety and welfare of the employee, other employees, and the public by having drugs and/or alcohol while on-duty. Such employees must be removed from the workplace.

Follow the steps below to ensure that you are proceeding correctly. It is important that proper procedures are followed to comply with legal and contractual requirements.

1. Contact your appropriate command staff and explain the situation.
2. Your supervisor will:
  - ◆ Take appropriate action regarding your response status, and
  - ◆ Notify the sheriff or his or her designee, then join you at your location to assist your and corroborate your observations during the interview.
3. Prepare yourself for an interview with the employee by completing the Report Form. Refer to Attachment 1 for descriptions of physical and behavioral signs which may indicate substance abuse.
4. After your supervisor has arrived, advise the employee you wish to interview him/her and provide a private location to conduct the interview.
  - ◆ Be sure to advise the employee that you suspect him/her of the presence of a prohibited substance (defined in the policy) in the employee's blood, breath and/or urine, whichever is applicable, and that s/he may have a Guild representative present during the interview.
  - ◆ Do not argue with a belligerent or threatening employee. Advise him/her that his/her cooperation during the interview and testing procedure (if warranted) are direct orders and that continued disruptive behavior, preventing completion of the interview, shall be the same as refusal to submit to testing and shall be cause for discipline (cooperation **does not** mean that any employee must give facts or evidence which may incriminate himself/herself).
  - ◆ Complete the Interview Form with your supervisor.
5. Review the relevant information with your supervisor. If your supervisor decides that the test is required, relieve the employee of duty, with pay, during the course of the exam and MRO review.
6. Have the employee sign a Consent/Release Form.
  - ◆ Read the form to the employee and direct him/her to sign it. Do not alter the form in any way.
  - ◆ Be sure, if the employee has declined Guild representation, that s/he understands that s/he may choose to have a Guild representative accompany him/her to the testing facility.

- ♦ If the employee refuses to sign the form, advise him/her that this is a direct order and that failure to comply shall be cause for discipline.
  - ♦ Issue a second order for the employee to sign the consent form. If s/he still refuses, relieve the employee of duty, with pay, explain that disciplinary action may follow. Your supervisor will transport the employee home. (No employee suspected of impairment from alcohol/drug abuse shall be allowed to drive.)
7. Your supervisor shall transport the employee to the testing facility, and wait at the testing facility until the testing is completed.
8. When the exam is completed, your supervisor will:
- ♦ Reconfirm with the employee that s/he has been relieved of duty, with pay.
  - ♦ Advise the employee that s/he will be contacted by the MRO to review the results (if positive), and
  - ♦ Advise the employee that s/he will be contacted by the department advising him/her about the applicable procedures.
  - ♦ Drive or arrange transportation for the employee home. Do not return the employee to a County facility.
9. Once the employee has been sent home, your supervisor will:
- ♦ Gather copies or originals of the Report Form, Interview Form, Consent/Release Form, and any other written notes or reports and forward them to the Sheriff and/or his or her designee and the County Human Resources Director.

- ◆ Irritability
- ◆ Slurred speech
- ◆ Anxiousness
- ◆ Wide mood swings
- ◆ Odor of alcohol

CONSENT/RELEASE FORM**

I consent to the collection of a urine and/or air sample by \_\_\_\_\_ and its analysis by \_\_\_\_\_ for those drugs, alcohol, and/or controlled substances specified in the Collective Bargaining Agreement pursuant to the Substance Abuse Policy agreed to between the Yakima County and the Yakima County Deputy Sheriff's Guild.

The laboratory administering the tests may release the results to the Medical Review Officer (MRO), who shall release his/her conclusions to the employer after review and interpretation. If I test positive, I agree to make myself and any requested records available to the MRO within 48 hours of such request. The information provided to the employer from the MRO shall be limited to whether the tests were confirmed positive or negative, and no other test results will be released, except as provided herein, without my written consent. The laboratory will advise the employer's representative whether the initial alcohol screen is positive or negative.

I understand that I have the right to my complete test results and that the laboratory will preserve the sample for at least one year. If I test positive, I have the right to have the split sample tested at my expense at a second DHHS-certified laboratory of my choice. I understand that I must request such test in writing of the split sample within 72 hours of notification of a positive test result by the MRO.

I understand that the Employer is requiring me to submit to this testing as a condition of my employment and that if I tamper with, alter, substitute, or otherwise obstruct or fail to cooperate with the testing process, I will be subject to disciplinary action up to and including discharge.

I further understand that a confirmed positive test will result in actions taken by the employer and for the employee which are consistent with the County's policies and procedures for substance abuse testing and treatment.

I understand that the employer will administer the Policy consistent with federal and state constitutional and statutory requirements. Also, by signing this consent form, I am not waiving the right to challenge a confirmed positive test result and an Employer action based thereon except as otherwise provided in the policy. **FITNESS FOR DUTY EXAMINATION**

**Medical and/or Psychological Examinations.**

- C.1 The Employer retains the right to require employees to submit to medical or psychological examinations when the employer has legitimate, good faith, non-discriminatory reason to believe that an employee may not be capable of performing the essential functions of his or her job. The Employer retains the right to select the medical or psychological provider (examining professional). Any relevant medical or psychological history of the employee held by the Employer may be released to the examining professional conducting a medical or psychological evaluation upon the request of the examining professional. Any relevant medical or psychological history held by the employee may be released by the employee upon the request of the examining professional.
- C.2 If the employee believes that the conclusions of the examining professional are in error, employee may obtain an additional examination at employee's own expense and the Employer will provide the examining professional with documents which were utilized by the Employer's examining professional. In the event the employee or Guild seeks to challenge the conclusion then the Guild and the employee shall waive privileges to allow the Employer access to the details of the Employer's examiner's report and the employee's examiner's report
- C.3 The Employer will undertake to have the Employer's examining professional make him/herself available to answer appropriate questions at the expense of the employee by the employee-selected examining professional who conducts a second examination. Said second examination shall be conducted within a reasonable period of time.
