The YNHS CHWs register and sign up the clients for eligible services such as Homeless Certifications, Coordinated Housing Entry, Housing and Essential Needs, and Apple Health. They also explain the housing options and support the program can offer following their release from DoC or when they finish their SUD treatment and are ready for housing assistance.

Narrative Summary Detailing Program Success:

The CHWs did engage with 28 DoC unduplicated clients between Mach 27 and June 26, 2025. They had over 40 total encounters, provided Homeless Certifications to 13 individuals, began 4 applications for DSHS services, and signed up 10 inmates for Apple Health.

Encountered Barriers:

Barriers Encountered:

The YNHS CHWs meet weekly with DoC clients. Many of those clients are not eligible for our services because they are awaiting charges that may transfer them to the Federal or State systems. Finding eligible clients with a known or approximate release date is the biggest challenge so far. Knowing their release dates assists us in making appointments to complete their applications with DSHS or YNHS because those require in person visits with the agencies. We are working with Yakima County Human Services and the Corrections Department to identify those eligible clients and their release dates.
