Narrative Summary Detailing Program Success: Together with Triumph Treatment, the newly formed Medical Detox Task Force, and the Yakima Valley Community Foundation, the presentation, Innovative Responses to the Opioid Crisis: The Critical Role of Medical Detox in our Community, has been finalized for September 16, 2025, at the Yakima Valley Museum. Featuring speakers, County Commissioner Kyle Curtis, Drs. Jamie Simmons and Gillian Zuckerman, this program will showcase findings from the feasibility study currently being conducted to determine a business model for sustainable operations for a medically monitored withdrawal facility (medical detox.) A preliminary save-the-date email was sent on June 26 to service providers, members of the judicial system, elected officials, county citizens, and law enforcement. Stakeholder engagement is ongoing, and we predict a strong turnout for the presentation.
