lead to termination of the agreement and debarment for future contracts with Yakima County.

The Contractor shall utilize the HMIS housing inventory tool to manage the occupancy of units and update unit information as occupancy, or housing inventory changes. All unit information shall be in good faith timely and accurately updated within forty-eight (48) hours of an occupancy change and include notification to the grant manager. Corrective action plans are to be submitted for all findings and Management Letters, not only those related to funding received from the County. The annual audit must include a management letter that addresses the adequacy of internal controls within the organization.

If this Agreement is funded by Federal sources as identified on the FACE SHEET, the Contractor shall comply with Federal audit requirements for agencies who expend in excess of \$750,000 of federal funds. The County reserves the right to require special procedures which are more limited in scope than a full audit for those agencies expending less than \$750,000 in federal funds.

The Contractor that expends less than \$750,000 in a fiscal year in federal funds from all sources shall submit a copy of the Contractor's most recent Audited Financial Statement to the County's Contract Representative, designated on the Face Sheet of this Agreement. The Contractor that does not receive a financial audit shall submit financial statements within ninety (90) calendar days of Contractor's fiscal year end to the County's Contract Representative by mail.

The Contractor is responsible for any audit expenses incurred by its own organization or that of its Subcontractors and the County reserves the right to recover from the Contractor all disallowed costs resulting from the audit.

Failure of the Contractor to comply with the audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments.

31. **Alternative use of Funding:** Yakima County at its sole discretion may choose to provide alternative funding sources to continue this contract if the original funds which the County relied to establish this Contract are withdrawn, reduced, or limited, or if additional or modified conditions are placed on such funding. Such decision to use alternative funding sources shall not abrogate Yakima County's right to terminate this contract under the provisions set forth in item 30 above, and such decision to provide and/or continue such alternative funding shall be at the sole discretion of Yakima County and the contractor agrees to hold Yakima County harmless for such decision.

If the Contractor fails to provide the required items within the 30-day period, the Agreement will automatically enter suspension status, during which Yakima County reserves the right to terminate the Agreement at any time.

During suspension status, Yakima County is under no obligation to release funds or provide resources under this Agreement.
