Revenue/Expenditure Comment:

v

Superior Court operations are governed by state statute and the constitution. Most expenses are beyond the control of the Court

In order to increase efficiencies and reduce costs, the Court shares its Court Administrator, Assistant Court Administrator, and other integrated staff with District Court in an unprecedented administrative consolidation in Washington State. As compared to 16 other counties like Yakima in size, demographics and income, Yakima County Superior Court averages far fewer staff, far more cases per capita and higher crime rates than any of these comparable counties.

The Superior Court generates revenues through the budget year as fines and court costs that appear as revenue under the County Clerk's revenue stream. The only revenues credited to the Superior Court are those generated by grants.
