DISCLAIMER: Data below collected from Yakima Valley Memorial Hospital, Yakima Regional, Toppenish Community Hospital, and Sunnyside Community Hospital, Prosser Memorial Hospital (G'View Residents), PAML, and Interpath labs. Because we do not include private provider testing results, this is not an accurate representation of the total number of cases in our county. It provides only a general guideline.

	Week Of	Total RSV Tests	+ RSV Tests	Total Influenza Tests	+ Influenza Tests
45	Nov 7-13	25	2	8	0
46	Nov 14-20	27	3	8	1

17	Apr 24-30	8	0	7	0
	Total	1458	550 (37.7%)	1371	270 (19.7%)

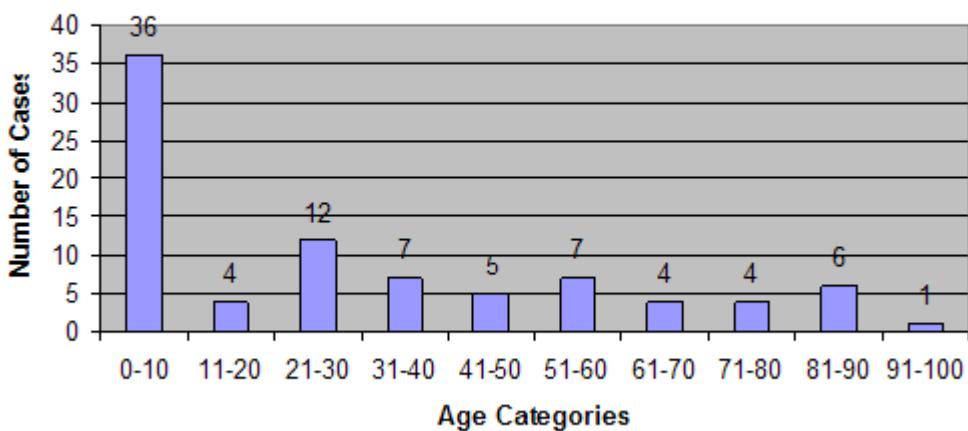

Yakima County Positive Influenza Nov 2005-current

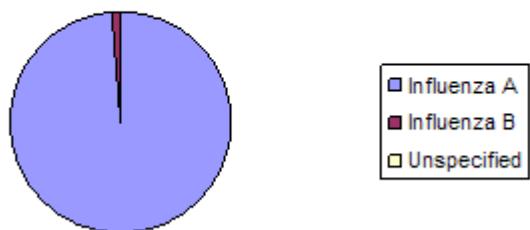

DISCLAIMER: The numbers reported above by hospitals and laboratories do not match the numbers below. The numbers below represent individual positive case reports faxed by hospitals and providers. Because we do not receive notification of every individual case, the weekly summary numbers provided by laboratories do not match the weekly numbers for individual case reports. The individual case reports provide us with age and flu type information, but are not reliable for total case counts.

Yakima County Influenza by Age: Nov 2005-current
